**A Better Way Than Diets and Exercise For Reducing**

Diets and exercise are sometimes helpful for reducing. But they are inconvenient and unpleasant, and usually produce only temporary results. Then, too, they are merely corrective measures. A better way is to aid the digestive organs to turn food into muscle, bone, and sinew, and not into corpulent tissue. This method allows you to eat many kinds of food which others eat and does not require strenuous exercise. Thousands have found that Marmola Tablets give relief from obesity in just this way. Marmola Tablets are made from the same formula as the famous Marmola Prescription. If taken after meals and at bedtime, they retard the development of fat by helping the digestive system to obtain full nutrition from food. When the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell Marmola Tablets at one dollar per box. Ask your druggist for them, or order them direct and they will be sent in plain wrapper, postpaid. MARMOLA COMPANY, 225 Garfield Bldg., Detroit, Mich.

**PRESIDENT**  
**Hoover SAYS**

I shall best express my opinion of the value of life insurance when I say that I took out my first policy as a youth of nineteen, and have been writing new policies ever since that time. I have found them a pretty heavy burden upon my resources at times, particularly in my earlier years, but I have always found them to be very comforting possessions, and if I had my life to live over again I would seek to take more rather than less.
