War Service Certificates

As a recognition of service, war service certificates have been issued by the state, signed by the governor and the adjutant general, to all men and women of Nebraska who served under our colors during the world war. To Burgess-Nash has been given the privilege of distributing these certificates to all those from Douglas county whose names begin with the letter B.

Please ask for these certificates at any time at the "Ask Mr. Foster" Information Bureau, on the Third Floor.

Fall Shoes Which Fashion Favors

At prices which favor you. We all want style, but we also want to be thrifty. It isn't often we find the chance to buy with the comfortable assurance that our feet will look exceedingly smart and our purse won't feel exceedingly lean.

Blouses of Pongee At an Interesting Price **\$5⁹⁵**

Since Pongee has become very much the blouse mode, we have found no better solution of this want than to fashion it in cunning Peter Pan and Tuxedo Styles. To make it doubly attractive there has been added frills and pleatings to the collars, cuffs, and just for good measure down the front.

The Pongee is of such quality that the value of these blouses at these prices is assured.

Victrola or Cheney Which?

The Intelligent Way Is to Hear Them Both

So much is truthfully said in favor of the Victrola and, again, in favor of the Cheney, that it is difficult to choose. You should hear them both, one right after the other, to make a comparison. Your ears cannot carry the impression from one shop to another, but here at Burgess-Nash you can hear the Victrola and the Cheney in the same room, under the same conditions.

Our Payment Plan

A small payment down enables you to purchase either machine at once, and have the pleasure of it in your home—the rest is distributed in small monthly payments over an extended period.

Hear one today in our new sound-proof rooms. Have one in your home before Christmas.
