

After The Harvest

Getting Ready For The 1921 Thanksgiving Feast On Nebraska Farms

Photos by Louis R. Boswick

Proud of em - he raised them himself

Walnuts! Bushels of them today for Thanksgiving Day

"Shucking" corn in the field

The smile of the satisfied hunter

Out in the barnyard - waiting

Nebraska apples and a Nebraska Thanksgiving smile

He should worry about a hard winter

"Punkiti" pies in the making

Here's the makings for a whole cluster of pies
