**A Better Way
Than Diets and
Exercise For
Reducing**
Diets and exercise
are sometimes help-
ful for reducing.
But they are incon-
venient and unpleasant, and usually
produce only temporary results.
Then, too, they are merely correct-
ive measures. A better way is to
aid the digestive organs to turn
food into muscle, bone, and sinew,
and not into corpulent tissue. This
method allows you to eat many
kinds of food which others eat and
does not require strenuous exercise.
Thousands have found that
Marmola Tablets give relief from
obesity in just this way. **Marmola
Tablets** are made from the same
formula as the famous **Marmola
Prescription**. If taken after meals
and at bedtime, they retard the de-
velopment of fat by helping the di-
gestive system to obtain full nutri-
tion from food. When the accumu-
lation of fat is checked, reduction to
normal, healthy weight soon follows.
All good druggists across the world over sell
Marmola Tablets at one dollar per box.
Ask your druggist for them, or order them
direct and they will be sent in plain
wrapper, postage paid.

DRESSING ROOM

▲ Pure Northern Wool from sheep that thrive in the snow ▲

YOU are first attracted to a Patrick-Duluth overcoat by the wonderful texture of the cloth, the distinctiveness of the pattern.
You try it on. It fits you easily, comfortably. You feel at home in it.
Your mirror reveals a style that enhances your appearance. It is pleasing and correct, with all the subtleties of fine tailoring that appeal to the well-dressed man.
You pronounce it the finest overcoat you have ever had. And as weeks grow into months and months melt into years, your enthusiasm turns to pride, for there is no garment that wears quite so long or quite so well or always looks so good as a Patrick-Duluth overcoat.

Some overcoats look well and nothing more. Others sacrifice style for long wear. Patrick-Duluth overcoats have both style and long wear.
And therein is the economy of Patrick-Duluth overcoats.
Sometimes your pocketbook is a false friend. It may lead you to choose clothes by price when quality is the real economy.
There is no cloth just like Patrick cloth. It is "bigger than weather." It is as distinctive to America as friezes to Ireland, cheviots to Scotland, tweeds to England.
Patrick-Duluth overcoats are sold through the best dealers only
