### **Both Sides Rest** In Murder Trial Of Frank Cirian

Case Expected to Go to Jury At Noon Today-Defendant Testifies He Shot Moran In Self-Defense.

Arguments to the jury in the Frank Cirian murder case will begin this morning in District Judge Troup's court room.

That the price and quality of home brew were among the causes that led to the shooting of Joe Moran was the admission made by Cirian, who was in the witness box Tuesday afternoon.

Both sides rested late Tuesday. Cirian stated that Moran cursed him several times and said, "Hatfield makes better beer than you

'You don't have to drink my beer," said Cirian. "Cut out swearing be-cause of my sister-in-law and the baby who are unstairs in the house." Quotes Alleged Threat.

Cirian then stated that Moranwho was in the house when he arrived said, "Frank, you dirty dago, I've got you now. I have been waiting for a long time to get you."

I told Moran that I was sick for 17 months and that I was unable to fight him. I begged him to cut out the rough stuff. He put out his hands and said, 'Mitt me, Frank,' and as I did he struck me twice in

Cirian then got a revolver from a nearby shelf, he said, and fired at the wall four feet from Moran. "You got blanks in that gun, you dirty dago coward," Cirian said

Moran shouted. A moment later Abe, Frank's brother shouted, "Frank, look out, Moran is going to shoot. Frank said he saw Moran put his right hand to his hip pocket and as

he did so fired a bullet into his body which struck his back." Afraid of Moran. was scared of Moran," testified Cirian. "He had twice threatened

me and I was only protecting myself as I thought he had a gun. Moran told me he carried a .32 revolver and said he would shoot me anytime he saw me." Abe Cirian testified that Moran threatened to "get" Frank and also attempted to strike him.

In rebuttal, the state used Mrs. Joe Moran and her father, W. J. Moran, who festified that the slain

of the shooting was true and as son, 1 1-2, was in a serious condistated by Cirian. The statement did not say anything relative to Moran reaching for his hip pocket. The case is expected to go to the jury at noon today.

### A very common cause of constipation

### Poor appetite is now known to be an important factor in this condition

RECOGNIZED authority on the subject of constipation maintains that "a poor appetite is a very common cause of constipation, especially in women." A certain quantity of food is necessary for the intestines to function

The same authority also says: "Insufficient food leads directly to emaciation and physical weakness as well as to constipation; it causes the already depressed nervous system to deteriorate still further, and this reacts again on the digestion, so that the dyspepsia and constipation become more

Under such conditions Fleischmann's Yeast has

remarkable value as a laxative food and con-

ditioner. It furnishes a large amount of the

water-soluble vitamine which helps all the proc-

esses of digestion, and, in addition, because of its

freshness (you get it fresh daily) it helps the in-

testines in their elimination of poisonous waste

matter. Thousands are adding Fleischmann's

Yeast to their daily diet, and by eating regularly from 2 to 3 cakes a day are restoring and maintaining normal action of the bowels.

Fleischmann's Yeast is a pure, fresh food assimilated like any other familiar food. Eat it daily -have it on the table at home. Have it at your office and eat it at your desk. Get it at your lunch place. You will like its fresh, distinctive flavor, and the clean, wholesome taste it leaves in your mouth. Only one precaution: if troubled with gas dissolve the yeast first in very hot water. This does not affect the efficacy of the yeast. Place a standing order with your grocer for Fleischmann's

Send 4 cents in stamps for the booklet, "The New Importance of Yeast in Diet." So many inquiries are coming in daily for this booklet that it is necessary to make this nominal charge to cover cost of handling and mailing. Address THE FLEISCHMANN COMPANY, 701 Washington Street, New York City.

The need for scientifically tested yeast

Presh yeast has been proved by recent scientific tests to be a valuable food for correcting run-down condition, constipation, Indigestion and certain skin disorders. These original tests were all made with Fleischmann's Yeast. Beware of untested yeast-vitamine preparations that contain drugs or other mix-tures. Fleischmann's Yeast (fresh) is a pure food, rich in vita-mine, in which it measures up to the high standards set by laboratories and hospitals. The familiar tin-foil package with the yellow label is the only form in which Fleischmann's Yeast
