THERE'S no argument against the taking of life insurance. It is established that the protection of one's family, or those near to him, is the one thing most to be desired, and there is no medium of protection that is better than life insurance. Our government has given close attention to the insurance companies, and they are on so sure a foundation that it is in substance a guaranty method of protection for our people.

A Better Way Than Diets and Exercise For Reducing

Diets and exercise are sometimes helpful for reducing. But they are inconvenient and unpleasant, and usually produce only temporary results. Then, too, they are merely corrective measures. A better way is to aid the digestive organs to turn food into muscle, bone, and sinew, and not into corpulent tissue. This method allows you to eat many kinds of food which others eat and does not require strenuous exercise. Thousands have found that *Marmola Tablets* give relief from obesity in just this way. *Marmola Tablets* are made from the same formula as the famous *Marmola Prescription*. If taken after meals and at bedtime, they retard the development of fat by helping the digestive system to obtain full nutriment from food. Where the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell *Marmola Tablets* at one dollar per box. Ask your druggist for them, or order them direct and they will be sent in plain wrapper, postpaid.
