150 Try Out for Iowa Mat Team

Iowa City, Ia., Dec. 1.—With only one man missing from last year's wrestling team at the University of Iowa and nearly 150 men trying for places on the varsity, Coach Harold (Mike) Howard hopes to develop a squad of grapplers this season capable of taking first place in the western intercollegiate conference. The honor position was lost by Iowa to Indiana last year by just one point.

Among the men reporting daily for workouts are Capt. Charles Swensen, western intercollegiate champion of the 135-pound class last year; Robert Smith, who won second place at 145 pounds; Robert Hunter, who won second place in the heavyweight class, and Vanna, who won third place at 125 pounds.

L. (Ty) White, captain of last year's team, did not return to school this year. He wrestled in the 175-pound class, and his berth will likely be filled by Hunter, former heavyweight man on the team. This will leave Iowa without a heavyweight representative unless some new man proves capable of holding down this division.

Howdy, who wrestled at 165 pounds last year, is expected to report for practice in the next few days. Johnny Heldt, Belding, Glen Deving and Gordon Locke of the foot ball squad, are being groomed by Coach Howard for possible places in the heavier weights. Heldt already has had one year of wrestling, but Belding is new at the mat sport.

Four Last Year's Nebraska Cagers Back

Optimism permeates the atmosphere around the Nebraska camp this fall. With four veterans of last year back in the harness and a wealth of promising material available, the Huskers' supporters see a great season ahead. Captain Smith, Warren, Munger and Carman are the veterans of last year.

Special Events For Pin Pushers

As Omaha bowlers begin to reach mid-season form, events are being arranged at the local alleys which will augment the already unprecedented interest manifested in the sport this season.

Sweepstakes singles, open to all comers, are to be conducted at the Omaha alleys next Sunday and the Sunday following, and mixed doubles will be held Sunday evening at 8.

Six players already have entered the sweepstakes. They are Orville Olson, J. H. London, Bill McCabe, Jim Jarosh, Ralph Seiple and Frank Jarosh.

More than 20 maple pushers are expected to compete for the purse in this event. An entrance fee of \$5 is charged and the pot will be divided on the 20 per cent basis.

The mixed doubles always attract much interest. An entry fee of \$2.50 a team is charged.

New Interpretation of Cage Rules to Prevent Wrangling Over Various Phases of Game

By JIMMIE BAUGH.

Much of the wrangling in basketball over misunderstandings in the interpretation of the rules will be obliterated this season by a number of desirable changes which were made in the rules by the national rules committee at a meeting in New York recently.

In the center and other jump ball situations, each jumper is required to place one hand in contact with the middle of the small of his back and keep it there until the ball has been tapped.

The rules of last year left room for various interpretations, and the result was that this rule often brought on heated discussions.

The distance the players must stay from the jumpers is left to the discretion of the referee this year, so there can be no further debates on this point.

A player receiving the ball while standing still may take one step in any direction while in the act of putting the ball in play in any manner desired, such as dribbling, passing or shooting.

This greatly simplifies the official's problem and standardizes the player's action. The former rule prohibited a player from taking such a step if he dribbled the leather, but permitted it in disposing of it in all other ways.

"Time out" may be called for by a captain only when his team is in possession of the ball, unless a player very evidently has been injured, when "time out" may be called immediately.

In making substitution for any player a time limit of 30 seconds is allowed. Consuming more time than this results in a "time out" being charged.

A time limit of one minute is permitted, however, in entering a substitute for an injured player without a "time out" being charged.

Under no condition is a "time out" to extend beyond two minutes—on or before the expiration of two minutes play is to be resumed.

Substitutes upon entering the game are to closely approach the referee in order to report to him and be recognized by him before participating in the game.

New York, Dec. 1.—Stating that they felt the public was fully aware of the facts relating to Mlle. Suzanne Lenglen's visit here last summer, officials of the United States Lawn Tennis association today declined to comment on recent developments abroad.

J. S. Myrick, president of the association, issued a statement in which he said he could see no reason for engaging in a controversy concerning an incident he had regarded as closed.

Reported difficulties between certain coaches and some followers of the game also may be considered.

Iowa Won't Ask To Play Bears

Iowa City, Ia., Dec. 1.—University of Iowa officials probably will not request permission of the Big Ten conference to play California in the Tournament of Roses game New Year's day at Pasadena. It is understood that Iowa's athletic board is opposed to the consideration of such a game in view of the fact that post-season battles are contrary to the rules of the western conference.

Dr. William Duffield, Los Angeles, who extended an unofficial invitation to the Hawkeys to play California, is said to have wired the Tournament of Roses committee suggesting the possibility of a direct request from the committee to the Big Ten conference.

No Towel or Sponge Throwing Goes, Says State Commission

Hear ye, seconds and managers. There won't be any sponge or towel throwing as a signal of defeat in Nebraska. If your fighter is getting the worst of the conflict, or is about ready to hop off into oblivion, keep the sponge in the bucket where it belongs.

This is the gist of law laid down this morning by Boxing Commissioner John Kilmartin, following his suspension of John Lee, an Omaha heavyweight, for attempting to stop a bout in this manner at the Cudahy Athletic club show recently.

Kilmartin quotes this rule of Section VI:

"The seconds are forbidden to throw or splash any water on the boxer during the bout or between the rounds, nor throw or cast a towel in the ring as a signal of defeat."

Another rule states that the referee alone has the power to stop a fight when either contestant shows marked superiority.
