

Morse Ordered By Daugherty to Return to U. S.

Attorney General Turns Down Contractor's Request That Return Be Postponed Until January.

Washington, Dec. 3.—Charles W. Morse, ship builder and financier, who arrived yesterday at Havre, was directed by Attorney General Daugherty today to sail Monday from Havre back to the United States.

Havre, Dec. 3.—(By The Associated Press.)—Charles W. Morse, American financier, called Attorney General Daugherty today, asking permission to delay his departure for the United States, until the sailing of the steamship George Washington on January 5.

Mr. Morse was detained by the French authorities on his arrival here yesterday morning at the request of the American consulate. It was stated his presence in Washington was desired in connection with investigation of his transactions with the United States shipping board.

Mr. Morse in the message asked permission to consult Prof. Ettore Marchiafava, of Rome, consulting physician to the late Pope Pius, in regard to a necessary operation.

Mr. Morse expressed disbelief in the reports that he had been indicted. Barred at Havre.

Paris, Dec. 3.—(By The Associated Press.)—The French ministry of the interior today issued an order denying Charles W. Morse the right to land in France and requiring him to return to the United States on the first available steamer which would be the Paris, sailing Monday from Havre.

Issuance of this order was confirmed in a letter from the French foreign office to the American embassy. The interior department has the right to refuse entry to any foreigner whom it judges undesirable.

Rev. Titus Lowe Will Not Leave Omaha for 60 Days

Rev. Titus Lowe, pastor of the First Methodist church, returned from New York, where he recently was appointed secretary to the board of foreign missions of the Methodist Episcopal church Friday night.

Mr. Lowe said he probably would not leave Omaha for New York to take up his new duties for from 60 to 90 days.

"I don't feel like leaving so soon after the Gipsy Smith campaign," said Mr. Lowe. "There has been no talk for a successor for me here as yet, either."

Rev. Mr. Lowe's new position is regarded as one of the most desirable afforded by his church.

Two Fined \$100 Each for Reckless Auto Driving

Sherman Williams, 2801 Burr street, arrested at Twenty-fourth and Cumby streets, Friday night, was fined \$100 in Central police court yesterday on a charge of reckless driving.

W. Murphy was charged with the same offense and was fined \$100. He was arrested Thursday after he had driven his automobile into a collision with a street car at Fifteenth and Dodge streets.

L. C. Huckfeldt, Thirty-eighth and M streets, was fined \$17.50 on a charge of speeding.

Dail Eireann Cabinet Considers Proposals

Dublin, Dec. 3.—(By The Associated Press.)—Members of the Dail Eireann cabinet assembled today to consider the British government's latest proposals for an Irish peace settlement. There is little optimism as to its decision, and Sinn Fein peace delegates to London are reported as believing the revised terms will be unacceptable to Eamonn De Valera and his advisers.

The exact nature of the proposals is not known but they are said to be based on an all-Ireland parliamentary government. Ulster, it is understood, would be required to remain in this parliament at least six months, when she could withdraw at her option.

One version of the new terms is that they deal with the Sinn Fein's objection to swearing allegiance to the crown by providing that allegiance be sworn to the Irish free state, the commonwealth of nations known as the British empire and to the king as head of that community of nations.

Youth Gets Prison Term For Stealing Wedding Suit

Edward Swoboda, 26, 1906 South Thirteenth, pleaded guilty to grand larceny before District Judge Troup yesterday and was sentenced to the Lincoln reformatory for one to seven years.

Young Swoboda gained notoriety last October when he attempted to cash a spurious check at a local department store to obtain money to buy a wedding tuxedo for pretty Katherine Schmidt, 22, Twenty-fourth and Mason streets, according to his story told police.

He also was charged with robbing a tailor shop after he had purchased a suit he said was for the wedding. He presented a spurious check for the clothes and a few days later, police say, he broke into the store and stole the clothes.

Arms Conference Awaits Tokio's Word on Ratios

Results of Yesterday's Conference of "Big 3" Under Study by Japanese Cabinet.

Washington, Dec. 3.—(By The Associated Press.)—Negotiations in the naval ratio question were practically at a standstill while the Japanese delegates awaited further word from Tokio.

By today the results of yesterday's conference between the principal American, British and Japanese delegates were under study by the Japanese cabinet and the diplomatic advisory council.

All indications were that whatever had been proposed as a means of bringing the United States and Japan together did not involve any abandonment of the 5-5-3 ratio proposed by the United States and supported by Great Britain but rather concerned other considerations which the Japanese regard as necessary to them.

Question of Fortifications. Chief among these was understood to be the question of further fortification of the American bases in the Pacific, which the Japanese wish to see checked. The relation of fortified basis is such to fleet ratio that there was a suggestion the Japanese might regard the 5-5-3 proposal as not inconsistent with their standard of national security if details regarding them could be arranged.

There was a decided impression among other delegates, not represented in yesterday's conference of the "Big Three" that a means of approach to a settlement had been found outside of any alteration of the 5-5-3.

In general discussion of the secret negotiations there is a general feeling that the Anglo-Japanese alliance is being dealt with and that there soon will appear a plan, approved by both Great Britain and Japan, to abandon that much discussed agreement and substitute it with some sort of agreement to which the United States might be a party.

Arbitration Treaties. One suggestion is for a set of arbitration treaties between the three powers, with a provision that Japan would not be involved in a war without six months' or a year's notice. Another consideration being discussed involved Japan's position in China.

The general feeling among delegates is that concessions to Japan, if they may be properly so termed, may be made, which will cause it to accept the 5-5-3 intact.

Sleuths Confiscate Auto. Four federal agents arrested Sebastiano Gaghola, 1908 South Twelfth street, Friday night and confiscated a sedan in which was found a gallon of alleged whisky. A hammer, also found in the car, federal officers believe was kept for emergency use in smashing the whisky jug if arrest was threatened.

Bank Clearings Increase. Substantial increase in bank clearings over last week were reported by the Omaha Clearing House association yesterday. Clearings for the week ending yesterday were \$34,690,811.22. For the previous week they were \$29,363,979.93. For the corresponding week last year they were \$46,330,387.07.

Hubby, 70, Must Stay At Pop Stand While Wife Lives Upstairs

From now on, Fritz L. Stacker must stay downstairs at his pop stand at 3624 North Thirtieth street while his wife, Christina, lives upstairs above him.

Both of them are 70 years old. The wife sued for divorce yesterday in district court. Then she asked Judge Redick for a restraining order to keep her husband from annoying her. This order was granted and served on the pop merchant by Deputy Sheriff Charles Johnson.

The Stackers were married in Omaha, September 24, 1886, and have lived here all these 35 years, the petition says. Stacker is an habitual drunkard, uses violent and abusive language to his wife, and has an ungovernable temper, Mrs. Stacker alleges in her petition, which also charges extreme cruelty.

Seven Fail to Appear on Liquor and Drug Charges

Only three of 10 men ordered to appear in federal court yesterday on liquor and "dope" charges were on hand. Charles Wick pleaded not guilty to a charge of possession and sale of narcotics, and William Watson and Theodore Peda pleaded not guilty to a liquor charge.

Forfeiture of bonds will be asked by the United States attorney for these seven: William Haferecamp, Roy Latham, Sam Farrell, George Ellis, Hugh Francis, Joseph G. Buckley and Allen Dale.

Indicted Omaha Stock Salesman Nabbed in East

Anonymous Telegram Leads To Arrest of "Newt" Cohn In Sumptuous Philadelphia Apartment.

Newton G. Cohn, "high-powered" salesman of stock for the defunct Missouri Valley Cattle Loan company, was arrested by the long arm of federal justice in his sumptuous apartment in the exclusive Ritz-Carlton hotel, Broad and Walnut streets, Philadelphia, yesterday.

He was indicted by the federal grand jury here a few weeks ago with Masse, Wohlberg, McWhorter and others on a charge of using the mails to defraud in connection with promotion of the cattle loan company.

"Newt" is alleged to have been the boy who went out after the big ones, and whose salesmanship put across the \$50,000 blocks of stock. Some enemy of his may be responsible for his arrest, United States Attorney Kinsler believes.

For last Thursday came an anonymous telegram to Mr. Kinsler here which read: "Newt Cohn is receiving his mail under the name Louis H. Berg at the Ritz-Carlton, Philadelphia."

Kinsler soon had the wires hot to federal officers in Philadelphia. The telegram announcing Cohn's arrest today stated that he gave bond for his release pending receipt of the indictment in Philadelphia.

Roses Bloom in Freak Season at Louisville, But Frost Nip Near

Louisville, Ky., Dec. 3.—Amateur gardeners here have for the past few days enjoyed the unusual thrill of cutting roses from outdoor plants. But frost and cold weather, forecasted today by weather bureau officials, may end the freak season that made the roses bloom.

In a number of gardens, buds which had resisted the early frosts bloomed under the urging of warm rains and sunshiny skies. Some of the bushes that had been stripped of their leaves by autumn frosts, furnished their quota of full-petaled flowers.

The gardeners declare that the roses are exceptionally fragrant and beautiful because they have not been attacked by insects.

Legion Committee Named To Spread Xmas Cheer

Walter S. Byrne, commander of the Douglas county post of the American Legion, has appointed Rev. L. B. Holsapple, W. D. McHugh, Jr., John Weed and Morton Hiller as members of a special committee to arrange for the dispensation of Christmas cheer to needy ex-service men.

"We have investigated some cases and have found the men in needy circumstances," said Mr. Byrne. "In some cases we will provide transportation and in each case we will do all we can to see that the home of every needy ex-service man is brightened during the Christmas season. We also will care for those who have no homes and are in need."

Farm Loan Meet to Be Held in Omaha Dec. 8

Chicago, Dec. 3.—Applications should be made immediately for loans from country banks by farmers who need financial assistance in carrying their crops unless a better market is available. Governor McCray of Indiana, chairman of the corn belt advisory committee said before the Chicago board of trade today in explaining the proposed financial plans of the war finance corporation.

Later congress will be asked to pass a bill for a foreign trade association so that money can be loaned to foreigners with which to buy corn and other agricultural products in this country he said.

Iowa bankers and farmers will meet to discuss the plan at a meeting in Des Moines, December 7, and Nebraska farmers and bankers will meet at Omaha, December 8.

Winter Cold Serves to Stop Vienna Rioting

Vienna, Dec. 3.—(By The Associated Press.)—Advent of real winter weather has served better than the police to restore order in Vienna after the serious rioting of Thursday, when mobs pillaged hotels, stores and restaurants, and robbed and beat all who presented an appearance of prosperity. The city yesterday was in the grip of a blizzard, with the temperature several degrees below the freezing point, and a bitter wind driving fine snow through the almost deserted streets. Troops have arrived and are on guard at advantageous points.

As a result of the disorders, a general exodus of profiteers and idlers is taking place, every outboard train being crowded.

A total of 174 stores were wrecked and looted, police reports show, and many others were damaged and their show windows pillaged by the mobs.
