**— AMERICAN MONEY FOR AMERICAN WATERWAYS.** Some 150 New York business men and 34 Congressmen from 16 states snapped at Lockport while on a week's inspection tour of the New York State Barge Canal now being used to but one-fifteenth of its capacity — with the object of discouraging the appropriation of 250 millions of American dollars in the projected St. Lawrence waterway.

**A Better Way Than Diets and Exercise For Reducing**

Diets and exercise are sometimes helpful for reducing. But they are inconvenient and unpleasant, and usually produce only temporary results. Then, too, they are merely corrective measures. A better way is to aid the digestive organs to turn food into muscle, bone, and sinew, and not into corpulent tissue. This method allows you to eat many kinds of food which others eat and does not require strenuous exercise.

Thousands have found that **Marmola Tablets** give relief from obesity in just this way. **Marmola Tablets** are made from the same formula as the famous **Marmola Prescription**. If taken after meals and at bedtime, they retard the development of fat by helping the digestive system to obtain full nutrition from food. When the accumulation of fat is checked, reduction to normal, healthy weight soon follows.

All good drug stores the world over sell **Marmola Tablets** at one dollar per box. Ask your druggist for them, or order them direct and they will be sent in plain wrapper, postpaid.
