THE ARMY'S SIGNAL CORPS CHIEF, Major General George O. Squier, reading President Harding's message flashed to twenty-eight different countries at the opening recently of Radio Central, the largest and most powerful wireless station in the world, at Rocky Point, near Port Jefferson. A few minutes after its seventy-two giant towers, spread over ten square miles of Long Island, dispatched the message. Underwood.

THE AVENUE'S NEW TRAFFIC LIGHTHOUSES will look like this when installed. The design for the new towers, which will replace the familiar and homely ones now in operation, has been accepted by the Fifth Avenue Association, and is by J. H. Friedlander. Do you approve also? N.Y. Underwood.

CARUSO'S WIFE AND DAUGHTER RETURN. The former Miss Dorothy Park Benjamin, of New York, accompanied by her two-year-old daughter Gloria, arrives on the S. S. Paris for her first visit since the sudden death of her world-famous husband in Naples last August. Underwood.

A Better Way Than Diets and Exercise For Reducing
Diets and exercise are sometimes helpful for reducing. But they are inconvenient and unpleasant, and usually produce only temporary results. Then, too, they are merely corrective measures. A better way is to aid the digestive organs to turn food into muscle, bone, and sinew, and not into corpulent tissue. This method allows you to eat many kinds of food which others eat and does not require strenuous exercise.
Thousands have found that **Marmola Tablets** give relief from obesity in just this way. **Marmola Tablets** are made from the same formula as the famous **Marmola Prescription**. If taken after meals and at bedtime, they retard the development of fat by helping the digestive system to obtain full nutriment from food. When the accumulation of fat is checked, reduction to normal, healthy weight soon follows.
All good drug stores the world over sell **Marmola Tablets** at one dollar per box. Ask your druggist for them, or order them direct and they will be sent in plain wrapper, postpaid.

"----And Look What I Got"

NO CHRISTMAS gifts are so acceptable to boys as genuine Patrick-Duluth Mackinaws and Sweaters.

No other Christmas gifts are so serviceable.

Patrick-Duluth Mackinaws are "bigger than weather." They are remarkable for their great warmth without undue weight or bulk. Every fibre is north country wool "from sheep that thrive in the snow."

Every operation in the manufacture of Patrick-Duluth Mackinaws occurs in Patrick mills and factories—the spinning of the yarns, the weaving of the

cloth, the making of the garments. Small wonder that they always look so well and wear so long.

Patrick-Duluth Sweaters do not shrink, fade or fray at the elbows after a few months' wear. They are as warm as pure virgin wool sweaters can be made; yet they fit easily and comfortably, giving that freedom of movement which active boys demand.

All Patrick-Duluth garments have the famous green and black label signifying Patrick quality—look for it on your Christmas shopping tours. Or send for style book.
