# Agreement With Horrors, Says Journal of Astrology

To Recede Provisionally From Original Demand Of 10 Ships.

## Will Submit Plan Today

By ARTHUR SEARS HENNING.

Washington, Dec. 19.—A com- Injunctions On promise on the basis of the limitation of the naval strength of France and Italy is in process of evolution tonight.

France having indicated willing ness to recede provisionally from its original demand for the right to build 10 capital ships, it is not unlike- U. S. Chief Justice Holds ly the compromise will represent an aggregate capital ship tonnage far short of the 350,000 France proposed but considerably above the 175,000 suggested by Secretary of State

The way was paved to a compromise by instructions cabled to-day by M. Briand, the French premier, who is in London, to M. Washington, Dec. 19.—States in the exercise of their police power have no authority through legislative barraut, head of the French delega-

#### Submit Plan Today.

M. Sarraut announced tonight that the instructions, setting forth the ttitude of France toward the application of the naval reduction plan to its navy, will be submitted to the conference committee of 15 on naval armament tomorrow.

Members of the French delegation explained that the instructions are not necessarily final. They demonstrate, it was asserted, that France dees not intend to stand in the way of the consummation of the plans for a naval holiday and limitation of naval armaments but does desire consideration of its special needs tor adequate defense.

At French headquarters it was asserted that the Briand instructions open the way to a speedy adjustment of differences, which it was predicted would be accomplished within two

The first news of the attitude of M. Briand which reached Secretary Hughes was contained in a cablegram from George Harvey, American ambassador to Great Britain, reporting the results of his talk with the French premier, who reached London yesterday. The Harvey message quoted M. Briand as ready to accept a maximum capital ship tonnage approximating that proposed by Mr. Hughes and supported by the British, Italian and Japanese delega-

essentially as proposed

and, after being decoded, were carried to Mr. Hughes by M. Sarraut.

A discussion lasting nearly two hours ensued. It was stated toagreement.

To permit the negotiations to proceed on the basis of the fresh in-structions from M. Briand, the arm-law by the Arizona supreme court a. m. had adjourned until tomorrow at the request of M. Sarraut.

#### Explain Briand Appeal.

The propitiatory attitude of the French today was the result of the action of Secretary Hughes in appealing directly to M. Briand in proexplained by a member of the Amercan delegation that there was a thorough understanding between the French premier and the American secretary of state as to such proceed-

France, however, needs a capital 16 Held in Connection ship tonnage represented by its 1914 program, which was abandoned when the war broke out and which would have given it more than twice its present 163,000 tons of

# Tax on Gas You Can Smell Your Sweetheart on Phone Planned by M'Kelvi

Governor Will Call Session of Legisla Raise \$1,000,00 Fuel Levy.

#### System Is Just Says

Lincoln, Dec. 19 .- (Special.)-Governor McKelvie announced today he would call a special session of the legislature in February to pass legislation imposing a tax of I cent a gallon on all gasoline used Upheld by Court in Nebraska and thus relieve the poorer people from paying approximately \$1,000,000 in taxes next Two Lengthy Public Sessions

Figures were available here for the consumption of gasoline in Ne-braska in 1919. It was 78,726,450

The governor's decision followed reports from several governors at the conference of governors in the east where such a tax is in operation and where, according to information Governor McKelvie has, it has been found to be a means of placing the road construction tax directly on the people benefited, the automobile

Says Tax Equitable "The tax is equitable for the auto-nobile owner, too," Governor Mc-Kelvie said. "The driver of the heavy truck and the expensive car uses the most gasoline and is harder on the road, so he must pay more

tax than the man who has a light "Furthermore, such a tax will go far in reme ing the present unfairness of taxation throughout the country because owners of real property must bear the burden as the intangibles keep them hidden and thus escape paying their proper share."

The governor said he believed the gasoline tax would meet next year's appropriations for road building and take" it altogether from the shoulders of the poor people. The state's share of tax for road con-struction in 1922 is approximately

Plan Long Considered. "Such a plan has been in my mind for some time," the governor said, "but it seemed better to wait until suits brought in other states against

to endeavor to work out a plan to better the state guaranty act and relieve, in a degree, the heavy drain on th guarantee fund in the last year

Also, he declared, if it were found that the failure of the legislature to make a special appropriation of \$1-,700,000 for the new capitol might delay the project, he would ask the special session to pass the measure.

"However," the governor said, we were assured by State Auditor Marsh during the session last win ter that the state house bill passed two years ago provided for regular appropriations every two years until he \$5,000,000 was raised." Difficulties of conflicting laws iscovered by compilers of the Ne-

braska statutes and state laws which conflict with Nebraska getting full penefit of war finance corporation loans may be wiped out at the sesion, it was stated.

Democrats who began immediately after the governor's announce-ment of a special session to ascerain its cost, declared it would run from \$10,000 to \$30,000. Governor Denies Report.

The governor also denied a report that he would ask the legislature to repeal the four laws passed by the last session, which are being held up as a result of referendum petitions circulated by the Nonpartisan

"There was no such intimation given out by me." he said, "I have no such plan in mind."

## 2 Slain in Sioux City Strike Row

Sheriff Kills Strike Sympathizer Who Shot His Son, Serving as Deputy on

#### Troops Ready for Service

Strike Duty.

Sioux City, Ia., Dec. 19.-Deputy Sheriff Lewis R. Jones, 22, son of Sheriff W. H. Jones, and Hessen Kaled, a strike sympathizer, 1609 Fourth street, both were fatally wounded in a gun battle which took place at the intersection of Leech avenue and Chambers street shortly before 6 o'clock this morning. Both died in the hospital.

Whips Out Black Jack. The gun battle followed an alterea-tion between Kaled and Deputy Sheriff Edward Batman, Batman who is one of more than 50 deputy sheriffs stationed at Leech avenue and Chambers streets with orders to stop and search all pedestrians for firearms, halted Kaled. When questioned by Batman, Kaled whipped a black jack from his pocket, struck Batman in the face, and started to

run north across Leech avenue. Batman grasped Kaled as he started to run, and succeeded in pulling him to the ground as they neared the curb on the north side of the street. Kaled drew a gun and started to fire as he fell to the ground. Young Jones gave chase when Kaled started to run and was directly behind the pair when Kaled started to fire, Several bullets struck Jones and in the excitement Kaled regained his feet and started to run again. Fired From Under Arm.

Sheriff Jones and Deputy Sheriff Frank Jipp, who were following close in pursuit, soon overtook Kaled. Jipp grasped him around the body and according to the story told by Deputy Sheriff Batman, Kaled began firing from underneath his arm, Sheriff Jones then opened fire and Kaled fell

with several bullets in his body.

Kaled was rushed to the St. Joseph hospital in the Samuels Brothers ambulance and died a half hour after arriving at the hospital. Jones was removed to the Samaritan hospital and lived but a few minutes after his arrival there.

Guard Companies Ready.
