These are the only authentic mov-les of the battle. Fred C. Quimby, who directed the taking of the pictures, had a battery of more than 20 cameras, and every detail of the struggle is shown from the time the men entered the ring up to the time of the tremendous ovation given both of them as they left the arena. An outsanding feature of the pictures is the introduction of "slow motion" photog-raphy, by which means the speed is re-duced to one-sight normal action, thus allowing the audience to study, in minute detail of the most sensational incidents during the encounter. lots for \$750.
