Gale Hits Nebraska

Western Nebraska Suffere Heavy Damage From Wind and Dust Storm of Short Duration.

Blizzard Is Following

One woman was killed and propcrty damaged to the extent of thousands of dollars by a gale that swept western Nebraska yesterday aftertoon. The heavy wind apparently came out of a clear sky and was estimated as moving 70 miles an hour. The wind was accompanied by clouds of dust. A raging snowstorm is reported following the

Mrs. G. D. Crafford, 25, wife of the manager of the Moritz Elevator company at Gering, was instantly killed when caught by the corner of the root of a demolished outbuilding at their suburban home. Her neck was broken and her face crushed beyond recognition. Three small children and her husband survive

Grand Island Damage.

Scores of automobiles parked on the streets at Grand Island were untopped or badly damaged. The Grand Island Business college, gen-eral hospital and other buildings had windows broken. The front of the Krall & Heidkamp blacksmith shop

was buldged out.

The blinding dust which accompanied the wind caused two automobiles to collide on one of the main street intersections of Grand Island. No one was injured. The duration of the storm was only about two minutes and was the fiercest among the taller buildings.
A trail of wrecked chimneys and

roofs, broken windows, blown-down fences and other debris was left by the storm in Alliance. The damage probably will run into the thousands

High School Damaged.

The most serious damage in Alli-ance was caused when an eight-foot Reorganization
