drive the man into a corner, and

There are certain words and expressions to use which would be just as much of a "give away" as to eat as much of a "give away" as to eat young woman refer to a suitor or with the knife or to commit any fiance as her "fellow." "Intended" is other solecism in manners. Some as bad when applied to a fiancee. young men and women eager to succeed in society and business master all their bad manners-due some-times to careless bringing up-and "fiance." Beau is a word that went times to careless bringing up-and forget that it is important to study the words they use. Their grammar years it is sometimes humorously may be perfect-but they cling to used to indicate a man of dudish certain words and phrases that im- tendencies or in the plural as beaux mediately stamp them as if not ex-actly illbred, at least lacking in a general at a party. Thus the hostnowledge of the world and its ways. Whether or not you like the idea of modifying your vocabulary to suit the demands of society-the cold fact remains that certain words and phrases as long as you use them will there is no way of expressing this work against you.

#### "He Says."

a certain young man has been "go-ing about" with a certain young An incessant use of "she says" and "he says," "I said," or, worse still, "I says," is an example. Women est woman or that he is "a frequent caller." Admirer is another word that is off the list. Suitor was used by young girls rather glibly a few pecially who like to repeat minutely years ago and so was swain, and previous conversation cling to this habit. We have all heard young girls in the street car repeating to cach other conversations they have had with their "young men" in this "lady friend" is impossible. Among way. It really does make a very bad impression, doesn't it? Sometimes it goes like this: "And I said, 'Why cidn't you come over last night? I ment with that word; "mansion"expected you.' I said, and he said. Well, I would have,' he said, 'but,' houses no wadays; "equipage," "estate" for country place or farm. Another word in this class is milhe said, 'I didn't know whether you really wanted to see me,' he said, and I said, 'Well, you know,' I said, etc., lionaire. to apply to one's friends or relatives

Changing Usage.

There are certain words once in to claim them. good use that now brand their users as rustic or old fashioned. Among them are "genteel." Probably because it was overworked we never use the expression "genteel society" or "genteel manners." "Smart so-ciety" is still permissible, though that is beginning to suffer the conse-

quences of overuse. "Lady" and "gentleman" must be used with extreme caution.' It is a on a straight foundation made of the st of mail is a striking new importation. good rule to make that a man never some cotton fabric pulled irregularly and have conquered it in yourself. good rule to make that a man never speaks to women of gentlemen and a woman never speaks to a man of ladies. A woman who chooses her words catefully would never ask a man to come to her house to meet "some ladies of her acquaintance." If he were mere mome to her house to meet "some ladies of her acquaintance." If he were mere house to meet "some ladies of her acquaintance." If he were mere house to meet "some ladies of her acquaintance." If here the were house to meet "some ladies of her acquaintance." If here the were house to meet here the were house "some ladies of her acquaintance." If she were young she might speak of them as "girls." She would never sleeves add to the idea of a coat of do wrong to use the word women. mail.
