Boys of the Y. M. C. A. Members Should Know

During the past two season Dono van Gouldin has been a regular and faithful attendant at gym and Bible classes as well as the other privileges. In all activities Donovan has gradually and consistently developed to a place of unusual efficiency and leadership. In the physical department Don is a gym leader in junior B class and has made a good record as a squad leader.

Donovan was at Camp Sheldon last summer, where he was an enthusiastic camper and entered into all the sports and athletics. The cheerful 25,000 and friendly attitude toward his camp mates made him many friends. His cottage leader and camp direc-175,000 tors always found him willing to do any service for the benefit of others and the welfare of the camp. In the boys' division activities this

winter Donovan has a place in the Captains' club and the Rooters' club. In the athletic and swimming meets he won ribbons. He attends the First Christian Sunday school and is in the eighth grade of Saratoga school. Donovan 45,000 is the 13-year-old son of Mr. and Mrs. C. H. Goulin, living at 6555 North Twenty-fourth street.

A review of the year in the public schools, by J. H. Beveridge, superintendent, contains the following opening paragraphs:
"The outstanding feature of the

last year in school progress was the letting of the contract for the new Omaha Technical High school. At the present time there are enrolled in this school 2,700 pupils.

"The new building is not being built to accommodate this number, but the new North High school, which will be started soon, will relieve the congestion at both Central and Omaha Technical High schools. "South High school must be relieved. At the opening of the next 55,060 semester it will have to run on two shifts, and immediate attention must 10,000 be given to increase its accommoda-

> Already Under Way. The Omaha Technical High school already is under way, on a tract of three blocks, between Cuming and Burt streets, from Thirtieth to Thirty-third streets.

It is estimated that the completed structure will cost nearly \$3,000,000. Its east and west length will be 600 icet.

Some of the pupils of the High School of Commerce are being housed in temporary buildings on the site of the Omaha Technical High school.

The new school plant will replace the High School of Commerce build-ings on Leavenworth street, between Seventeenth and Nineteenth streets. The new North High school will be erected at the southeast corner of Thirty-first street and Ames avenue and will cost approximately \$750,000. The Board of Eudcation is consid-
