CHAPTER VIII
Hard to Please
It was very hard to please Turkey Proudfoot. To be sure, he always pleased himself. But nothing anyone else did seemed to suit him.

How Lillian Outwitted Bess Dean.
I had switched off the ignition before Dean spoke, and I turned in astonishment to look at her. Her request was so odd, her agitation so unusual, that I could not understand it, and when I looked at her I was still more puzzled. Her eyes were glistening from one side to the other like a person fearing pursuit, said incredulously to myself, and her cheeks were flushed with vivid crimson. That something had put her in a panic was plainly to be seen.
