

William W. Porter Lectures Here on Christian Science

Representative of Mother Church Says Man Reflects Inexhaustible Resources of the Divine Mind.

William W. Porter, Christian Science lecturer, addressed a large audience at the First Church, Scientist, here last night.

Mr. Porter, a member of the Board of Lectureship of the Mother Church, The First Church of Christ, Scientist, Boston, Mass., said:

"Thought rightly related to the divine Mind of God, who is the source of all intelligence, reveals the God-like man. Christian Science demonstrates the fact that because man is God's image and likeness, man must reflect the inexhaustible resources of the divine Mind. All that the divine Mind has and knows, therefore, belongs by right to the perfect spiritual man. Until the nature of man's true selfhood is understood human beings will be in ignorance of their natural rights and privileges, and will continue to suffer as a result of their lack of understanding."

Discovery and Discoverer. Many have known the Discoverer and Founder of Christian Science, and the Author of its textbook, "Science and Health with Key to the Scriptures." Christian Scientists have a distinct love and regard for their revered leader. This attitude is in recognition and grateful acknowledgment of her unselfish service to all mankind. Indeed, from the date of her healing in the year 1866, Mrs. Eddy's life was spent exclusively in proving the truth which had been revealed to her, and in establishing Christian Science in accordance therewith.

The question may be asked: Does Christian Science ever fail? No true science can ever fail. One may fail to understand the science of numbers, or fail properly to apply this science in working out a mathematical problem. No one will assume, however, that because there has been a failure to understand or properly to apply this science of numbers the science of mathematics has failed. Like wisdom there may be a failure properly to understand Christian Science, or a failure properly to apply this Science in the working out of a problem under consideration—but Christian Science never fails.

Basic Error. "Systems of religion and of medicine which have appeared and disappeared have finally disappeared because they were founded either upon the personal reputation, or the personal sense, of their originators, or upon the unworthy belief that evil is a reality with power to overcome that of good or God; and that matter, non-intelligent and inert, possesses the qualities of Life and Mind. Christian Science declares that God is the only creator; that real creation must reflect the character of the divine Mind; and that true creation consists, therefore, of spiritual or true ideas. Evil is not a spiritual or true idea, consequently is not a creation of God.

The Mother Church Manual. "Some will doubtless say that safeguards should be established to protect the public against misrepresentations which are made in the name of Christian Science. Mrs. Eddy long ago foresaw this need and provided in the Manual of The Mother Church the necessary measures to protect and preserve Christian Science, its teaching, and its extension. One who has even named upon himself the name or nature of Christian Science knows that, in the degree his thought is held in obedience to these simple rules, his demonstration is successful.

As the thought of mankind has been lifted up with respect to pure religion and the science of healing, so must it be lifted up with respect to all things, including church, and church government."

Pair Held for Trial in Robbery of Fur Store. On their own confessions to police, Charles Jamieson, Thirtieth and Pacific streets, and Mark Vallone, 1415 William street, were bound over to district court yesterday in Central police court for breaking and entering and receiving stolen goods, respectively.

Omaha Youth Stabbed in Holdup in New York

LT CHARLES P. HAYES

Charles P. Hayes, son of Mrs. Charles W. Hayes, prominent Omaha club woman, is in a New York hospital suffering from serious knife wounds received when two men attacked him while he was waiting in front of the Y. W. C. A. building New Year's eve. It is believed that Hayes, who is an ex-service man, resisted the attack. His mother was at a church a few blocks away from the scene of the attack, when it occurred.

Col. Patterson to Speak at C. of C. Luncheon Today. Col. John Henry Patterson, who commanded the 38th Fusiliers of the British army at the taking of Jerusalem, will speak at a public affairs luncheon at the Chamber of Commerce at noon today. His subject will be "The Capture of Jerusalem."

Carl Baer, St. Louis, founder of the production bureau of the St. Louis Chamber of Commerce and a farmer, as well as banker and business man, will speak Thursday noon. His topic will be "Business Fundamentals."

Cohn's Trial Postponed May Return to Pittsburgh. Newton G. Cohn of Pittsburgh, under \$25,000 bonds on a federal indictment in the Missouri Valley Cattle Loan case, reported to the United States district attorney's office yesterday. His trial, set for this month, has been postponed and Cohn probably will return to Pittsburgh, where he is now selling stocks, until his case is called, according to J. C. Kinsler, U. S. attorney.

Brief City News. Plan Trip to Europe—Mrs. George Brandeis will accompany her husband on a trip to Europe this winter. They will sail February 11 on the Aquitania.

Teacher to Retire—After a teaching career of 36 years in Omaha Clara F. Cooper, principal of the Webster school, will be retired on a pension at the close of the present semester, January 17.

Directors to Be Chosen—Two directors for the position vacated by W. A. Fisher and Robert H. Manley will be chosen at the annual election of the Omaha Athletic club, to be held January 13. The election will be open from 11 a. m. to 2:30 p. m.

Post to Be Left Vacant—The position of inspector of police, vacated by the death of Mrs. Fattullo last Sunday, will not be filled at present. Police Commissioner Dunn announced yesterday. The extra duties of this position will fall upon the chief of police.

Sues "Other Woman"—A suit for \$10,000 has been filed by Mrs. Carrie Young against Mrs. Cora Lockwood for "seduction and prejudicing" the mind of Mr. Young against his wife. Mrs. Young also has filed a restraining order to prevent Mrs. Lockwood from disposing of any property.

County Budget Lower—The county budget for 1922 will be much lower than that of last year, according to the statement of a member of the board of the county commissioners yesterday. It is estimated that the reduction will be about \$200,000 from the total of \$1,820,000 last year.

Palmerist Jailed—Gust Palmquist, Fortieth and Wood streets, was sentenced to jail for 90 days today in Central Police court. His wife, Bertha, who had been looking for him since last August to have him punished for an alleged assault upon herself, found him in the hands of police on a liquor charge yesterday.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs kidneys, then the Back hurts. Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive, makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Barlow Succeeds Wattles as Head of U. S. National Bank

Wattles Still on Directorate—Three Promotions Made at First National at Annual Meeting.

Three promotions followed the annual meeting of the board of directors of the First National bank yesterday afternoon. E. L. Droste, jr., was promoted from cashier to vice president; John H. Bexten from assistant cashier to cashier and made secretary of the board of directors, and J. Frank McDermott was made an assistant cashier.

Will T. Graham and Droste were elected new directors of the First National. Milton T. Barlow was elected chairman of the board of directors of the United States National bank to replace Gordon W. Wattles, resigned, at the annual meeting yesterday. Mr. Barlow also was elected a vice president. Mr. Wattles, despite his intended departure from Omaha, will remain on the bank's directorate.

Currie Named Director. Arthur B. Currie, coal broker, was elected an additional member of the United States National's directorate. There were no resignations from the board. John L. Kennedy will continue as president. The position of assistant vice president was created for the first time in Omaha when Charles F. Brinkman, assistant cashier, was promoted to that position at the United States National.

The promotion of J. V. Refregier, paying teller at the Omaha National bank for a number of years, to an assistant cashier's position, was the only change made at the annual meeting of that institution yesterday morning.

Megeath Succeeds Peek. J. E. Megeath succeeds George N. Peek on the directorate of the Merchants' National bank, being the only change resulting from the annual meeting.

E. Z. Hornberger was promoted from chief clerk to assistant cashier at the Peters National bank. Barton Millard retired from the directorate of the Stockyards National bank at the annual meeting there yesterday. F. J. Emerson, already vice president, was elected a director to succeed Mr. Millard.

C. V. Nelson was elected a vice president of the American State bank. He has been unofficially connected with the bank during the past year.

Kiner Suit Settled. The replevin action brought by Viola Kiner, 2617 Harney street, against John M. Kiner, brother of her late husband, Mrs. Kiner, 2704 Farnam street, was adjusted in municipal court yesterday without going to trial. The defendants acknowledged that a trunk, suitcase and traveling bag taken from them by Constable F. W. McGinnis rightfully belonged to Viola Kiner.

Ritchie Sues for Value of Wife's Lost Baggage

A. S. Ritchie, an Omaha attorney, filed suit in municipal court yesterday against the M. and W. Hotel company for \$995 for the loss of a traveling bag belonging to his wife, Fannie P. Ritchie.

The Ritchies were motoring through Iowa last July and stopped at the Montrose hotel, Cedar Rapids. Mr. Ritchie alleges his wife's bag was not delivered to their apartment.

Among the valuable articles in the bag are enumerated, one blue serge dress, bought at Jacques, Chicago, \$225; one red wool sport suit, bought at Mission Blanc, New York, \$125; one chamoise dress, \$85; one green children afternoon dress, \$95; one Irish crocheted waist, \$45, and much lingerie.

Woman Loses Insurance Policy Suit to Son-in-Law. District Judge Redick dropped a verdict yesterday for Frank Payne, who was sued for a \$1,000 insurance policy by his mother-in-law, Mrs. Anna Ecker, mother of Lucille Payne, whose death was responsible for the arrest of Dr. Elizabeth Lyman.

Mrs. Ecker alleged that the beneficiary on the policy was fraudulently changed four days before her daughter's death last August. The insurance company testified that to their knowledge there was no fraud.

The Salvation Army has 26,181 bandmen, 750 day schools, and 41 normal and military schools scattered all over the world.

ADVERTISMENT. HAVE DARK HAIR AND LOOK YOUNG. Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied, with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through the hair, taking one strand at a time. By morning the gray hair disappears; after another application of two, it is restored to its natural color, and looks glossy, soft and beautiful.

Strict Ruling on Bonds Issued by Police Judge

Persons who forfeit bonds in Central police court and then attempt to reclaim them are out of luck. So ruled Police Judge Wappich yesterday.

"Too many people stray away from our fold to smoke or loll about the hallways," stated the judge. "Hereafter, their bonds will not be set aside but forfeited when they fail to appear promptly after their names are called three times."

Radium if taken as a medicine, would have remarkable effects on our health, says a doctor who has tested this theory.

Shotwell to Wage War on Punchboards

A war on punchboards will be waged by investigators of the county attorney's office.

County Attorney A. V. Shotwell stated yesterday that punchboards are against the law and any store displaying such articles would be subject to arrest and if convicted, fined \$500.

Shotwell said he would ask police to watch all cigar stores and pool-halls.
