Fogg Defines Closed Shop for School Debate

Additional Districts Announce First Series Schedules—Innovation Percentage Favored.

For the 15th annual debates among the 90 members of the Nebraska High School Debating League, the proposition "that the movement of organized labor for the closure of public schools is a violation of the constitution" was the subject of the following definition of the "closed shop" as given by Prof. M. M. Fogg.

Innovation Percentage. All of the 11 districts have adopted the innovation percentage plan of deciding the district championships...
