

Bryan Will Run for Senate in Florida Primary

Work of Colorado Is Favored as Successor to Hays—Nebraska State Society Meets at Capital.

By E. C. SNYDER.
Washington, Jan. 19.—(Special Telegram.)—William Jennings Bryan, three times the democratic candidate for the presidency and secretary of state during the first Wilson administration, will be a candidate for United States senator from Florida. Information has been received in Washington from several political friends of Mr. Bryan in Florida, to whom he has extended his political ambitions. It is asserted positively here that Mr. Bryan will enter the Florida democratic primary in August against Senator Trammell. Already, it is stated, there is a well organized movement in Florida back of Mr. Bryan. Mr. Bryan will rely principally upon a personal campaign and not upon any friendly organization or his behalf or upon such organization as already exists in the state. He expects to take the stump, probably late in the spring, and to go into every county.

Dr. Hubert Work of Colorado is being "very favorably considered" as a successor to William H. Hays as postmaster general, it was learned at the White House. Work is now first assistant postmaster general and is one of the first officials to be appointed by President Harding after he assumed the presidency last March. The pressure for Work's appointment comes principally from congressional quarters. Senator Nicholson of Colorado conferred with President Harding today and added his endorsement to Work's candidacy. Friends of Dr. Work informed President Harding that his handling of controversial postoffice appointments was meeting with general approval, and that "politically" he comes from the right section of the country. President Harding has informed callers that the cabinet position cannot officially be considered as open until the resignation of Hays has been submitted.

Carl R. Miller, sales manager of Stroud & Co., Omaha, is in Washington.

The senate has confirmed the following Nebraska postmasters: George M. Best, Dakota City; William C. Stigebauer, Danbury; Joseph D. Hines, Wahoo.

The Nebraska State society held an interesting meeting at the Wilson Normal school. Representative McLaughlin is president of the society, and there was a short literary program

Omaha Hunters Sued for \$20,000

Union School Teacher Asks Damages as Result of Sunday Fight.

Plattsmouth, Jan. 19.—(Special.)—Leslie Everett of Union filed suit for \$20,000 damages in district court here against John Harlan, Rudolph Deciz, Fred F. Saalfeld, W. L. McClellie, Otto Smith and William Lehman of Omaha. He charges that as a result of an assault on him by the six Omaha men last Sunday at the home of his father, George Everett, he is unable to keep up his work as a teacher in the public schools.

He alleges that one of the members of the party struck him on the head with a club and that two ribs were fractured and four ribs seriously hurt.

The Omaha men were fined \$10 each in county court at Nebraska City on the assault charge. The Omaha men claimed that while they were hunting and that Everett ordered them from his farm. Four of them complied and when the other two, who were hunting in another part of the field, passed Everett he called them names and started to throw them in a threatening manner. One of two threw up his gun for protection and in the ensuing melee, they say, Everett was injured.

Two Requisitions Presented Governor

Lincoln, Jan. 19.—Capt. J. C. Hunter, chief of the detective department in the office of the prosecuting attorney at Los Angeles, presented to Governor McKelvie a requisition for the return of William Hemmaway, charged with the embezzlement of approximately \$3,000. According to papers filed with Governor McKelvie, Hemmaway will resist return to California.

Another requisition presented was from the governor of South Dakota calling for the return to Sioux Falls of Earl Sorenson, declared by the state deputy who called for him to be chief of a private detective agency. The charge is child desertion. A Minnesota officer is co-operating with the South Dakota authorities. Sorenson, it is alleged, is wanted in the latter state. He is under arrest here.

Origin of Big Downtown Fire Still Mystery

Damage to Three Business Buildings Estimated at \$36,000—Fireman Injured in Blaze.

Origin of the fire which did \$36,000 damage in three buildings at 1108-10-12 Farnam street Wednesday night, has not been determined. Fire Warden John Trouton and Building Inspector R. E. Edgemoor made an inspection of the premises yesterday morning. The blaze apparently started in a rear basement.

James Anderson, a fireman, was taken to Ford hospital with an injury to the right eye sustained at the fire.

The damage was as follows: Hugo Melchior Barber Supply company, 1112 Farnam street, \$30,000; Grunwald Plumbing Supply company, 1110 Farnam street, \$2,000; Schneider Electric company, 1108 Farnam street, \$4,000.

For more than four hours, beginning at 8:30, firemen battled the flames in the intense cold before they were under control. Heavy smoke arose from burning pyrites, hair oils and acids.

Residents of the upper floors removed their most valuable belongings to nearby stores.

Mother of War Victim Kills Self at Beatrice

Beatrice, Neb., Jan. 19.—(Special Telegram.)—Becoming despondent over ill health and the loss of her son, Glen, who died in a training camp during the war, Mrs. Mary Coons stepped into the bathroom at the home of her daughter, Mrs. Homer Reeves, this afternoon and shot herself through the right temple with a revolver, dying instantly. No inquest was held. Mrs. Coons was 39 and came here a year ago from Bartlesville, Okla., to make her home with Mrs. Reeves. Two daughters survive.

Bryan Urges Relief for Farm Conditions

Frankfort, Ky., Jan. 19.—There can be no return of prosperity until the farmers' conditions are improved. William Jennings Bryan said here today, in addressing a joint session of the general assembly.

"In all my experience I never have known the farmer to be in so bad a shape," continued Mr. Bryan, adding that the farmer was "the first person picked on."

The present congress, said the speaker, is no better or worse than the preceding congress, but he declared it is worse scared because of the pressure brought by farmers. Representation of farmers, laborers and a nonbanker business man on the federal reserve board was urged.

Sheriff Quits Church to Hang Two Murderers

Des Moines Minister Announces Intention to Resign Pastorate to Serve as Public Official.

Des Moines, Jan. 19.—The Rev. R. E. Robb, sheriff of Polk county, has resigned the pastorate of the Urbandale Federated church because, he said, he does not wish the church to be subjected to criticism when he hangs two murderers next spring.

"I will have to hang Ernie Cross and Eugene Weaks in April and May," Robb said. "I do not feel that I should be a regular pastor when I do this, as I would subject my church to too much criticism."

"However, I must do my duty as sheriff and hang these men, and consequently I have resigned from the church."

"Another reason is that I cannot do justice to both my church and my public duty. Many times I work all night Saturday and am too worn out to preach on Sunday."
