### The Figure Trim and Youthful

### Boysform Brassiere

Emphasizes just the right points of the figure to give the straight boyish lines that the present day fashions demand. They are snug yet seamless, comfortable without the slightest sacrifice of style, so pretty they may be worn under the sheerest of blouses without a camisole.

Miss Oliver of New York City

will be here just one more day to show and advise Omaha women how the Boysform Brassiere will benefit them. There are no charges for fittings.

Trimmed or Plain Models, priced from 1.00 to 2.75

Third Floor—North
