

Judge Sentences Motorists to Stop Driving 60 Days

Auto Drivers Who Appealed Cases to District Court Surprised and Pained When Decisions Given.

District Judge L. B. Day's disposition of a number of appealed automobile speeding cases yesterday morning surprised and pained those who appeared before him, and reversed the old belief that it is easier to appeal from the police court than to accept the lower court's ruling.

The judge is a motorist of the fumble sort, driving a small car, and he said he knew from experience what perils the motorists of his class frequently encounter.

Given Fines Also.
Edward Crosby, Kenneth Harrington and Edward Kallum were sentenced to abstain from driving motor vehicles for a period of 60 days. Crosby and Harrington were also given \$15 fines. Short jail sentences had been imposed on them in police court and they appealed the cases.

Harold Byers was dismissed with a fine of \$15, the forfeiture of driving rights for 60 days not being imposed on his car because he told the court he was employed as a truck driver. The fine was \$10, the judge's sentence on account of Hall's appeal.

Drives Horses Now.
Larson, who was driving a milk truck when arrested, the judge that he changed his mode of transportation from automobile to horse. A fine of \$10 was imposed in his case and a promise to abstain from the use of motor vehicles for 60 days was required.

This thing of speeding must stop. Patience is almost at an end, pronounced the judge.

Bishop Stuntz Shocked by News of Divorce Suit

Head of Methodist Diocese May Issue Statement Regarding Separation of Browns.

Greeted on his return from a five-weeks' vacation with the news that a Methodist minister of his flock had been sued for divorce, Bishop Homer C. Stuntz registered pained surprise.

"Rev. Edgar Merrill Brown and Mrs. Brown! This is most certainly a bolt from the blue!" he exclaimed. "I would no more believe it of them than I would of Dr. and Mrs. [naming the most popular Methodist minister in the city, next to himself]."

The bishop said he saw Dr. Brown and his wife, who instituted divorce action on the grounds of cruelty 10 days ago, just a short time before he and Mrs. Stuntz departed on their southern trip.

Trouble Unsuspected.
"I saw nothing, knew nothing or heard nothing at that time which would lead me to think there was any trouble there," he said.

Questioned whether the divorce action would have any bearing on Mr. Brown's position in Dietz Memorial church, the bishop replied: "That would depend entirely on the nature of the charges made against him. Every one knows the attitude of the Methodist church toward divorce."

The bishop declined to discuss the Brown divorce case any further until he had learned the facts, presumably from Mr. Brown, but stated that he would announce this afternoon, whether he intended to make any statement in the matter.

Visited Florida.
Bishop Stuntz was likewise uninformed as to a possible success for the post of Dr. Titus Lowe of the First M. E. church, who says farewell to Omaha Friday night. His trip was taken for the benefit of his health and no business was communicated to him during his absence.

The bishop and Mrs. Stuntz visited New Orleans and Florida. He stopped en route home at Ames, Ia., to preach Sunday morning at the agricultural college.

Mothers in a Like Situation Should Read This Letter from Mrs. Enrico

Chicago, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound for a serious trouble. I had tried doctors and all said the same—an operation. At first I only felt the pain on my left side, but later I seemed to feel it on both sides. I am a power sewing-machine operator and have a little girl to support. I work in a tailor shop and that line of work has been very slack this year and I am home part of the time. I do not like to take any chances, so I consulted my friends, and one lady said, 'Take Lydia Pinkham's medicine.' So I did. I have felt better right along and am in good enough health to go to work. I recommend your Vegetable Compound and Sanative Wash to all."—Mrs. MARY ENRICO, 469 N. Carpenter St., Chicago.
