Five-Way Soldier Bonus Plan Laid Before Senate

Simmons of North Carolina Introduces Amendment to Bill Providing for Refunding Allies' Loans.

Washington, Jan. 24.—The question of a bonus for former service men again was presented to the senate today through introduction by Senator Simmons, democrat, North Carolina, of the five-way adjusted compensation plan as an amendment to the pending measure providing for refunding of the wartime loans to the allied powers.

Provision for payment of the bonus of the five-way adjusted compensation plan is identical with the house bill taken up by the senate last summer and re-committed to the finance committee after President Harding had addressed the senate.

Short-Term Certificates. Provision for payment of the bonus of the five-way adjusted compensation plan is identical with the house bill taken up by the senate last summer and re-committed to the finance committee after President Harding had addressed the senate.

Mr. Simmons declared he was bringing the subject up because former service men deserved the bonus and because the finance committee of which he is the ranking democratic member had given "serious consideration" to attaching it to the funding bill before the latter was reported to the senate.

It was said that as a result of informal conversations with democratic members, Mr. Simmons had been assured his colleagues would support his efforts to have the amendment attached to the funding measure.

Senator Walsh, democrat, Massachusetts, also submitted an amendment, stipulating that any agreement resulting from negotiations between the proposed commission for funding the debt and the foreign representatives should not be binding on the American government until the consent of the senate had been obtained.

Mr. Simmons, in his speech, declared that when the senate committee agreed to strike out the provision for a flat 5 per cent interest rate it had "the way open for the international speculators to gather the fruit."

W. W. Wucher, general manager of the Nebraska Tire and Rubber company, was elected president and treasurer at the regular annual meeting of the stockholders and directors held at the company plant Monday.

Mr. Wucher retains his position of general manager. S. C. Wolfe was elected vice president of the company and F. M. Holloway secretary. The stockholders re-elected the old board of directors.

An announcement was made that the company will pay its back dividends March 15. The plant employs 100 men and is running at full capacity, 24 hours a day.
