## Union Pacific Asks to Curtail Train Service

Application to Railway Commission Claims Company Is Losing Money on Lines in Nebraska.

Lincoln, Jan. 25.—(Special.)—The Union Pacific railroad company has applied to the state railway commision for permission materially to reduce its train service, claiming that it is losing money on the Nebraska

The company asks to discontinue the motor between Genoa and Spald-ing, making one trip each day. This would leave but one train a day on this line. The commission has fixed the date of hearing for February 9. It is probable at the same time the commission will hear the com-pany's application to discontinue one seeam train each way per day between Genoa and Albion, substi-

tuting /a motor train. The company also has assen per-traission to discontinue the motor-train which makes a round trip each day between Kearney and company also has asked pereton. This would leave one ate has been set for this hear-

to take off the local running teen Council Bluffs and Albion, ng local work done on the n line between Council Bluffs Columbus by Trains No. 3 and A date for hearing on this appearation will be fixed later.
