LETTERS and cards were received in Omaha Tuesday from Miss Eva
Dow and Miss Henrietta Rees, who sailed January 7 on the Adriatic.
Miss Dow is visiting her brother, Edward Dow, and his family at the
American consulate in Algiers, Africa, and Miss Rees, accompanied by her
aunt and uncle, Mr. and Mrs. Thomas Rees of Springfield, Ill., is sojourning

in Egypt.

Miss Dow has written her mother of a pleasant trip across. Despite the fact of cloudy weather and rain all but two days of the trip, the sea was unusually smooth. Just one day out of Algiers a storm came up, which prevented the boat from making port that evening, as scheduled.

Among the interesting passengers on board were H. G. Wells, noted writer; Adolph Ochs of the New York Times, Marie Dressler, the actress; Irving Berlin, song writer; Winchell Smith, playwright; Marc Klaw, the arrical manager, and Archbishop Kane of Dubuque, Ia., who is a personal friend of Miss Dow. Mr. Wells is described as being a good mixer with a genial face and manner. Rev. P. A. Flanagan and Rev. James Aberne of this city also were among the passengers.

as they generally do with the mere man. But now comes the critical point, and it is this: Since now it is equal rights for both men and women, why should a man spend money like a fool on girls, when the girls can make as much as men?

If you play people for crooks, they are not likely to prove staunch, true friends. If you show them confidence and trust they are not likely to disappoint you.

You ask why a man should spend money like a fool on girls. Well, he doesn't need to spend it like a fool. He can spend it like a gentleman.

Men and women do not have equal rights. If you were as well educated as you think you are you would not make such a remark. Women are not given equal pay for equal work with men. But that is not quite the point. The custom of men paying the bills is one that we have with us as the result of the past. As women grow more emancipated economically, they will assume their share of financial burdens. Thousands of women are supporting families today. Ends Stubborn Coughs in a Hurry

For real effectiveness, this old beme-made remedy has no equal, Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magie. It is very easily prepared, and there is nothing better for coughs. Into a pint bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also aplendid for bronchital asthma. You'll never know how quickly a
