

National Body Is Organized to Form Third Party

Chicago Convention of Farmers and Labor Blocs, Socialists and Others, Is Extremely Harmonious.

Chicago, Feb. 22.—Harmonious action far beyond the expectation of the most hopeful delegates developed in yesterday's conference of representatives from farmer and labor blocs, railroad and miners' unions, socialists, farmer-labor party leaders and others dissatisfied with America's present political leadership, from which came appointment of a national committee, which will meet in New York December 11 to organize what is expected to be a new political party.

The organization last night termed itself a "conference for progressive political action" and selected a national committee of 15 which will act as an executive committee. It follows: J. G. Brown, Chicago, national secretary, farmer-labor party; Mrs. Edward P. Costigan, Colorado, National League of Women Voters; George H. Griffith, National Non-Partisan league; Joseph A. Franklin, Kansas City, president, Brotherhood of Boiler-makers, group two, railroad organization; William Green, Indianapolis, secretary, United Mine Workers of America; Sidney Hillman, New York, president Amalgamated Clothing workers; Fred C. Howe, New York, public group; William H. Johnston, Washington, president International Association of Machinists; Morris Hillquist, New York, socialist party; E. J. Manion, St. Louis, president Order of Railroad Telegraphers, group three, railroad organization; Edward Keating, Washington, public group; Basil Manley, Washington, public group; Warren S. Stone, Cleveland, grand chief Brotherhood of Locomotive Engineers, group one, railroad organization; Miss Agnes Nestor, Chicago, Women's Trade Union league; Benjamin C. Marsh, Washington, farmers' national council.

The committee of 15 will select its chairman. Refraining from drafting a national platform, the conference declared for home rule in the organization of state and local committees. These will function in the 1922 election to elect representatives who will administer government "for the common good and for the protection, prosperity and happiness of the people."

The conference declared "that its present usurpation by the invisible government of plutocracy and privilege must be broken and that this can best be accomplished by united political action suited to the peculiar conditions and needs of each section and state."

Rev. Father de Shryver Dies After Long Illness

Rev. John B. de Shryver, S. J., 72, an instructor at Creighton university for 16 years, died at St. Joseph hospital Tuesday night of cancer. He was in the Belgian cavalry when he was a young man. Hearing Father de Smet's appeal for missionaries to go to the American Indians, he joined his band and came to this country. In March he would have observed his 50th anniversary as a Jesuit. The funeral will be held Friday morning in St. John church, with burial in Holy Sepulcher cemetery.

Fremont Woman Wins \$8,242 Insurance Suit

Fremont, Neb., Feb. 22.—(Special.)—Mrs. Molly Rathburn, wife of the late Dr. Grove Rathburn, has won her second decision in the state supreme court against the Globe Indemnity company, being awarded \$8,242. The case was begun in the fall of 1918, shortly after her husband's death when the insurance company held up for damages, insisting that the policy holder must be completely disabled from the time of his injury to his death for his beneficiaries to make any claim. Because Dr. Rathburn was able to attend to his duties to a certain degree it was contended Mrs. Rathburn was not entitled to the judgment. Judge Burton returned an opinion for the plaintiff and the case was appealed to the supreme court, which upheld Judge Burton in a dissenting vote. The defendants asked for a rehearing which resulted in the \$8,242 award.

Postponement of McWhorter Trial Denied

Report From Texas Indicates Indicted Man Able to Leave Despite Plea of Illness.

Federal Judge Woodrough denied yesterday a motion for a postponement of the trial of W. A. McWhorter, under federal indictment for conspiring to use the mails to defraud. A. L. Sutton, counsel for McWhorter, asked that the case be continued on the grounds that McWhorter was ill in Groesbeck, Tex., and unable to make the trip to Omaha. He introduced affidavits to show that the illness was not feigned. But Assistant United States District Attorney Keyser ruled to Judge Woodrough a communication from Inspector F. L. Clappitt, who was assigned by Postoffice Inspector Coble to investigate McWhorter's physical condition. Clappitt's report stated that McWhorter was "eating three squares a day" and that his physician had declared him able to make the trip.

Trial Date Set

Coble and Keyser signed with relief when Judge Woodrough ruled that the trial should start February 28 and that McWhorter should be ordered to appear here on that date. Mr. Sutton told Coble he would telegraph McWhorter to start for Omaha at once, and that he had assurances that Jacob Masee, Charles S. Wohlberg and W. G. Chipley, under similar indictments, would be here for trial on that date.

Will Be Tried Together

The four men, indicted in connection with their operations with the William Berg Potash company, all will be tried at once. Should McWhorter be unable to arrive here on the date fixed for the trial, Mr. Coble fears it again will be postponed, a separate trial could be conducted only at great expense, he says. The district attorney's office here received a telegram shortly before noon, however, from the district attorney's office at San Antonio, stating that McWhorter would leave for Omaha last night.

Jail Sentence and Fine Penalty on Liquor Charge

Broken Bow, Neb., Feb. 22.—(Special.)—N. B. Trotter, who was arrested some time ago on the charge of illegal possession of liquor and other counts, entered a plea of guilty to the single charge of illegal possession before District Judge Hostetler and was given a fine of \$500 and a jail sentence of 30 days.

Three Judges to Sit in Movie Test Suit

Three judges will be on the bench in the federal court next week to hear the motion of Goldwyn Pictures, Inc., to have the law requiring that contract money put up on motion picture films by Nebraska exhibitors be deposited in Nebraska banks and trust companies declared invalid. Goldwyn Pictures brought the suit in behalf of itself and other motion picture distributing corporations. It is regarded as a test case of great importance and will be heard the first part of next week. The distributors desire that they shall be given the contract money, so that in case exhibitors fail to live up to contracts they can obtain it as forfeited, without litigation.

Nebraska Wesleyan Glee Club to Give Concerts Here

The Nebraska Wesleyan Glee club will give a concert Thursday night at 8 in the First Methodist church; and Friday night in Trinity Methodist church, Twenty-first and Binney streets. There are 22 men in the quartet under direction of Prof. Jarvan Witte, A. C. McFarland, John Calvert and Hubert Shultz are Omaha men in the club.

Chance Thwarts Society Party Holdup in Hotel

Guests, With \$25,000, Gems, in Another Room When Bandits Enter Hostess' Apartment.

Mrs. Nellie Kitchen was entertaining a group of society folk at a card party at the Paxton hotel Tuesday night when two armed men dashed into her apartment. But the men found only Mrs. Kitchen's maid, Hazel Walton. The party was being entertained in Parlor B. Only the wraps were in Mrs. Kitchen's apartment. "Where's the party?" demanded one of the men. Not waiting for an answer, he grabbed a beaded bag from the maid and the two dashed out. The maid gave the alarm and Richard Kitchen, one of the proprietors of the hotel, hastily armed bellboys and other employees and stationed them about the building. City detectives and police were soon on the scene. Through all this excitement the

guests at the card party played on serenely, unaware of their narrow escape. Detective Danbaum said there was \$25,000 worth of jewels in the party. Two men, giving the names William M. Webb and Leonard Smith

were arrested at 12:30 Tuesday night for investigation.

Spring Corset Showing
Prepare yourself for a most agreeable surprise when you inspect our Spring Corset Showing
We have gathered here for your approval the best and the newest of the foremost makers. Prominent in this collection are examples of Modart Corsets in the new "phantom" type. Some of these corsets are so light and flexible that they can almost be drawn through a finger ring. Skillful design in them has taken the place of heavy boning. The materials used are lighter, the boning is more flexible, and fewer bones are used. Properly fitted these corsets will support the figure perfectly, keep their shape, and wear as long as any corset you have ever had. These models may be had in various qualities and a wide range of materials. Our expert fitters, too, have made a special study of fitting these new models. The natural and pleasing effects that skillful fitting can bring out with this type of corset causes us to predict for it a wonderful vogue.

Women are fast learning the value of the use of delatone for removing hair or fuzz from face, neck or arms. A paste is made with some powdered delatone and water and spread on the hairy surface. In 2 or 3 minutes it is rubbed off, the skin washed and every bit of hair has disappeared. No talture will result if you are careful to buy genuine delatone and mix fresh as wanted.
