

Love for Son, 4 Causes Parents to Make Up

Love for her 4-year-old son, Vogel caused Mrs. Laura Waddell to stop divorce proceedings against Fred Waddell in district court Saturday. It was the thought that one

of them would have to be separated from the child that caused the parents to make up.

Former Nebraska School Teacher Dies at Ohio Home

Theodore Benda, 54, a former Nebraskan, who died at his home near Cleveland, O., February 15, was

formerly a teacher in high schools at Clearwater, Gordon and Curtis, this state.

He held degrees from Fremont State Normal school, University of Nebraska and Clark university, Worcester, Mass. He specialized in psychology at the latter, under guidance of Dr. J. Stanley Hall. He is survived by his wife, for-

merly Miss Maud Hersey of Hedrick Ia.; two sisters, Mrs. Erasmus Krumbach of Shelby, Neb., and Mrs. Joseph Schindler of Jackson, Mont.; and two brothers, Dr. E. B. Benda of Omaha and Joseph Benda of San Jose, Cal.

Noted Epigrammatist to Address Ad-Sell League

"Selling Yourself" will be the subject of an address by Dr. J. B. Palmer of Davenport, Ia., before the Advertising-Selling league tomorrow evening in the Hotel Fontenelle. Dr. Palmer is a speaker of national renown and an epigrammatist of

wide fame. He has delivered addresses in most of the big cities of this country.

Omahans Fined and Held on Booze Charge at Lincoln

Lincoln, Feb. 25.—(Special.)—Louis Gault, 723 Pierce street, Omaha, and Sam Tine, 1745 North

Nineteenth street, Omaha, were fined \$200 each for illegal possession of liquor here today and were turned over to federal officers.

They were arrested yesterday near Waverly. Three five-gallon demijohns of alleged liquor were thrown from the automobile in which they were riding when officers put in an appearance, but the

lugs fell on ice beside the road so that the officers were able to step up about a gallon of the stuff for evidence.

Blocks of ice cream of from one to three flavors are made by a new machine at a rate of 2 1/2 gallons a minute without the product being touched by workers' hands.
