THEY may be far away from Omaha, but these old friends are seeing almost as much of each other as if they were at home. Mrs. William Archibald Smith, who is making her home in Los Angeles this year, was hostess at a luncheon the other day for Mrs. Joseph Polcar of Omaha, given at the Betty Bolton tea rooms. The other guests were Mrs. Walter M. Selby, Mrs. Reece Barker, formerly Miss Ruth Caldwell; Mrs. Harvey

Over last week-end Mrs. Walter M. Selby entertained Miss Emma Hoagland, who is a pupil at the Marlborough school, of which Mrs. Luther

Drake is acting principal.

Mrs. George Holdrege, Mrs. T. L. Kimball and her daughter, Miss Arabelle Kimball, are at the Hotel Virginia at Long Beach, and this week Mrs. William Archibald Smith is spending there with them before their

departure for Omaha. Two other families who are close friends and often travel together are Mr. and Mrs. George Kelly and Mr. and Mrs. Jay Foster. They, too, are spending the winter at the Virginia and report gay times. They will not be home before the end of March.

Mrs. Joseph Polcar, who has spent the past month in Hollywood, will leave March 11 for two or three weeks' stay at Long Beach at the Torrey Pines apartments before leaving for home.
