Financial

By ALEXANDER DANA NOYES.
New York, March 15.—News with a bearing on the financial situation was more interesting today than the movement of the financial markets, which was mostly of negative character. This news comprised a "car loading statement" for the opening week of March, showing more favorable than any weekly showing in four months; a report on foreign trade in February with a remarkable shrinkage in the export surplus, an estimate of the country's current production as 55 to 60 per cent of capacity against 55 at the end of February, 40 to 50 a month ago and something like 35 in the early days of January.

Chicago Grain

By CHARLES D. MICHAELS.
Chicago, March 15.—A renewal of general liquidation in grain carried prices into new ground on the down turn. There were fewer stop loss orders caught than generally expected. Low shorts covered toward the last and the finish was on a good rally but with wheat 3-4/8, 3-4c, oats 1-1/8, 1-1/8c, corn 1-1/8, 1-1/8c.

New York Bonds

(The Bee is the only Omaha newspaper which publishes the official close of the New York stock exchange bonds.)
New York, March 15.—There were heavy sales to the bond market today. Liberty and Victory issues, for example, closing at reactions. In the main, however, increased activity was attended by higher prices in the foreign group, especially British, French, Belgian and Mexican offerings.
