

### House Refuses Amendment to Budget Measure

#### Proposal to Place Funds From Liquidation of Assets at Disposal of Shipping Board Decried

Washington, March 15.—By a vote of 77 to 19 the house refused to agree to a senate amendment to the independent offices appropriation bill which would permit the shipping board during the coming fiscal year to continue to use funds received from liquidation of assets up to \$55,000,000. Authority to use such funds until July 1 was granted the board in a supply measure passed a year ago, but it has realized only a part of the maximum and Chairman Lister had requested extension of the privilege.

Concurrence was also refused to the senate amendment authorizing the purchase for \$1,500,000 of land in Washington, to be used for an addition to the government printing office.

The house, however, ratified action of the conferees who had reached a compromise which inserts in the bill the language proposed by the senate, limiting the use of army camps or cantonments as vocational training centers to Camp Sherman, O., and which restores a clause stricken out by the senate, providing that no part of the appropriation for vocational training shall be expended for construction work except for "necessary repairs" instead of "minor repairs."

Another conference agreement approved by the house appropriates approximately \$40,000,000 for salaries and expenses of the veterans' bureau, as proposed by the senate, instead of \$26,000,000, as proposed by the house, as well as \$160,000,000 for military and naval compensation, as proposed by the house, instead of \$145,000,000 and not exceeding \$15,000,000 of any unexpended balance as provided for in a senate amendment, and \$146,409,000 for vocational rehabilitation as proposed by the senate instead of \$127,000,000 in the house provision.

#### Oil Man Indicted.

Houston, Tex., March 15.—Secretary E. Cox, noted widely for his oil and airplane adventures, was indicted by the federal grand jury on 14 counts, charging use of the mails to defraud in connection with the sale of stock in three companies whose capitalization aggregates \$41,000,000.

### Food Prices Higher, State Board Finds

Lincoln, March 15.—(Special.)—Prices of a majority of ordinary foods sold to state institutions are increasing rather than diminishing, according to a statement issued today by the state board of control.

Following are prices quoted the board for three quarters:

	Sept. 1921	Dec. 1921	March 1922
Beans, cwt.	\$ 2.10	\$ 2.25	\$ 2.25
Barley, cwt.	1.75	1.85	1.85
Oats, cwt.	1.25	1.35	1.35
Wheat, cwt.	2.10	2.25	2.25
Flour, cwt.	3.10	3.25	3.25
Butter, lb.	12.00	12.50	12.50
Eggs, doz.	1.25	1.35	1.35
Chicken, cwt.	12.00	12.50	12.50
Ham, cwt.	12.00	12.50	12.50
Butter, cwt.	2.80	2.90	2.90
Wheat, cwt.	1.80	1.90	1.90
Barley, cwt.	1.40	1.50	1.50

#### Fremont Baby Hit by Auto Escapes Serious Injury

Fremont, Neb., March 15.—(Special.)—Jean, 4, son of Mr. and Mrs. Frank A. Luehrs, escaped serious injury when he ran in front of a car driven by Robert A. Luehrs, Fremont contractor. The boy attempted to cross an intersection ahead of the automobile. He was thrown beneath the car and suffered bruises about the head and body. If the car had proceeded two inches further a rear wheel would have run over the child's neck.

#### Winchester Club Holds Convention in Fremont

Fremont, Neb., March 15.—(Special.)—The first annual meeting of the Nebraska Winchester club opened here with more than 50 hardware men from throughout the state in attendance. President F. W. Arndt, Blair, extended greetings to the Nebraska dealers in his opening address. W. J. C. Stockley, secretary of the national organization, of New Haven, Conn., is in attendance.

#### Colorado River Hearings Opened

Plans for Extensive Development Program Presented—Hoover Presides.

Phoenix, Ariz., March 15.—Presentation of proposals for extensive development of the Colorado river and equitable distribution of the benefits therefrom among the seven states of the Colorado river basin was begun here this afternoon at the first of a series of hearings of the Colorado River commission, presided over by Secretary of Commerce Hoover.

Representatives of Arizona and Nevada voiced their views at the opening session.

Secretary Hoover, after outlining the purpose of the hearing, announced the committee plans to visit the Imperial valley Sunday and to reopen hearings in Los Angeles Monday. The commission will remain in session here until Friday.

"We are seeking an equitable division of the waters of the Colorado and its tributaries, subject to the approval of congress, to prevent endless litigation and long delays," Mr. Hoover told the commissioners, "and every one desiring to be heard will be given an opportunity to speak."

"This is one of the greatest national assets of America. It provides the means to reclaim millions of acres of land, develop hydro-electric energy of millions of horse power and add 3,000,000 to 10,000,000 people to the population of the basin. What we may do today will extend not only to the next, but to the 10th generation. It is in our power to lay a foundation for progress."

### Governor Answers Democratic Attack

Lincoln, March 15.—(Special.)—Referring to a speech made in Omaha Monday, which has been made the subject of a democratic attack, Governor McKelvie declared today that he did not say taxes would be higher, as he was quoted.

"What I did say was that taxes were higher than the prewar level and would be for some time," he said. "I pointed out this was particularly true in federal taxes, because the national debt before the war was less than \$2,000,000, while

### At present time the debt contracted during the war has grown so enormously that the interest on it each year is as much as the total debt before the war.

"There is no occasion for higher taxes and I didn't say there was. State and county taxes can be lowered more rapidly than municipal, school and federal taxes. The schools and municipalities bonded themselves so heavily that it will take years to cut those taxes, while decreases in state and county taxes are noticeable at the present time."

"Thank-you-mams" have been suggested for highways in New York state as a scheme to prevent violations of the automobile speed laws.

## Coupe Comfort at Low First Cost

Where reliable, low-cost, city-and-country transportation is a daily and hourly need, there is a distinct and definite place for this handsome Hupmobile Roadster-Coupe.

To the sturdiness and stamina of the Hupmobile Roadster for hard service, it adds the permanent comfort and shelter of the coupe.

Its body, as well as its chassis, is built entirely in the Hupmobile shops, and is exceedingly attractive, strong and durable.

We are now displaying this new Hupmobile. See it, and ride in it.

# The Lincoln Policy

*persists inflexibly to produce the finest motor car in the world*

The Lincoln motor car is the product of more than twenty years' development. It was conceived and brought into being by a group of men who have directed the design and manufacture of more high-grade motor cars than have ever been produced under any other single supervision.

The Lincoln car is produced under the supervision of these same men, in one of the world's most scientifically equipped motor car manufacturing institutions, whose financial resources are doubtless the greatest in the industry.

Lincoln Eight-Cylinder Motor Cars comprise a wide and varied range of open and closed Body Types, eleven in all, two and three-passenger Roadsters; four-passenger Phaeton; five and seven-passenger Touring Cars; four-passenger Coupe; four, five and seven-passenger sedans; seven-passenger Town Car; seven-passenger Limousine.

Some are types of quiet, conservative mien, while others are of more imposing aspect, yet all reflect that air of elegance and true refinement.

### Eat Bran REGULARLY and You'll Relieve Constipation PERMANENTLY!

The sooner you and your family get to eating Kellogg's Bran, cooked and krumbled, the quicker you'll all have a clean bill of health!

Because Kellogg's Bran relieves constipation permanently if it is eaten regularly! It keeps the intestinal tract free from congestion—it sweeps and it purifies without any discomfort or irritation. And, it frees you from habit-forming pills and cathartics which never could and never will give permanent relief! Do not confuse Kellogg's Bran with "remedies!"

Your physician will endorse Kellogg's Bran for constipation because it is the ideal way to correct this trouble—through the food you eat! Kellogg's Bran, if eaten regularly each day, will work wonders for the health of every member of your family. Each one should eat at least two tablespoons daily; chronic cases, as much as is necessary.

Kellogg's Bran, cooked and krumbled, is not only nature's food but it is delicious to eat as a cereal! Or on your favorite cereal each morning! Its nut-like flavor is delightful!

Use Kellogg's Bran in raisin bread, muffins, pancakes—in a hundred different and appetizing ways! Keep a dish of Kellogg's Bran on the dining table. Sprinkle it on food! We guarantee results. Your grocer has it.

Kellogg's Bran is particularly desirable for children. It builds up strong bodies! Another thing: Kellogg's Bran at the same time will clear up a pimply complexion and sweeten the breath!
