## Man Is Shot by Mate After Words Over Groceries

Husband Sits Down on Porch Following Quarrel-Wife Gets Pistol and Wounds

John Jackson, 30, 2930 V street. packing house worker, was shot and seriously wounded at his home at yesterday afternoon by his wife, Anna, with a .38-caliber revolver, as result of a quarrel.

The injured man was rushed to St. Joseph hospital by Police Captain Briggs, where it was found that the bullet had entered the abdomen. Jackson is said to be in a serious

Jackson Makes Statement.

Jackson stated to police that he had been sitting on the front porch of his home, after having had an altercation with his wife and that she came out and shot him without warning. After he was shot he ran to the corner of Thirtieth and V streets and sank to the sidewalk.

Captain of Police Briggs and officers Jackman and Urbanec answered a telephone call reporting the shootng, and when they arrived at the lackson home found Mrs. Jackson sitting calmly in the kitchen of the

she had given her husband \$5 yes-terday morning at 8:30 to get some meat and groceries and that he came home at 3 yesterday afternoon without the groceries and refused to give an accounting of what he did with the money.

Unintentional, Says Woman. "I upbraided Jim for not getting the meat and groceries," said Mrs. Jackson, "and he failed to make any excuse, but went out and sat down on the porch. I got my revolver and intended to fire a shot to scare him, but I shot a little too high. I never did intend to shot the may." Mrs. Jackson was taken to South Side police station and charged with shooting to wound and later was taken to central station where

It was a case of pernicious anemia and yet under these little radium tables the patient of a Chicago doctor who placed a time limit on life of one to two weeks. It was a case of pernicious anemia and yet under these little radium tables the patient gradually improved to complete recovery. There is no telling what it may accomplish. Certain it is that not being a drug, not capable of doing any harm, it still remains for the future to learn if this wonderful radium is the very essence of what we call health. For the first time in history these radium tables are now available for anyone who, jacking the vim and nerve force to ward off anemic conditions, may regain their weight and consequent health.
