

World's Champ Beats Hoppe by 500-466 Score

Winner Gives Splendid Display of Shot Making—Willie Excell in Position Play.

Chicago, March 28.—Jake Schaefer, world's champion 18.2 billiardist, will have an opportunity from his first shot tonight to increase the 34-point lead he established last night over Willie Hoppe, former champion, when he won the first block of their 1,500-point, three-night match, 500 to 466. Rounding out his fifth century was an unbroken run of 34. Schaefer left the balls nicely grouped at the head of the table for his opening shot tonight.

Hoppe in his new role of challenger, and Schaefer displayed his skills last night that ran virtually the gamut of the game's possibilities. Hoppe, with his old-time delicate stroke, was the master of smooth nursing, his masses, although at times he hesitated over, were executed with a remarkable precision and only infrequently was he forced to table-length drives.

Chicago, March 28.—Before the start of tonight's play, the balls and the table again were carefully tested to see if the weather or the movement of that part of the audience on the stage had affected them. Schaefer, resuming his 18th inning in the total play and starting his first inning of tonight's block, found the balls grouped at one end of the table, where he left them at the end of last night's block.

The champion, holding a 24-point lead over his challenger, began with four balls shot, but had to drive one out of play around the table for his fifth. Several clever open shots were necessary before the champion could again group the balls, but he finally got them together and quickly reached the 100 mark. Three times in the next 10 points Hoppe left the balls lined up, but he recovered from the bad losses through beautiful shooting. He said that he, then together and the run ended at 43 with the balls scattered.

A beautiful bank scored Schaefer's first point in his second inning tonight. At his 20th point the titleholder had the balls well together at one end of the table. Again setting the balls together, Schaefer brought his first run to 100 almost as quickly as the referee could count. His play was steadier than last night. A great cue ball was used in the 11th point, a mass, then forcing the champion into open play by driving the cue ball into the pocket, Schaefer's driving again grouped the balls at the 12th count. Schaefer's nursing was a revelation in contrast to his rather erratic position play last night, and he did not drive the balls again until he had made 135, he missed a straight cue ball shot of 137, for his first inning tonight, which, with the 54 at the end of last night's play, made a run of 191.

Hoppe found the cue ball in good position, but he was unable to make a run. He took four minutes for the first 10 points. The challenger then speeded up and quickly had a string of 25, mixing in several good banks and drives.

Giant Yans Win From Buffaloes

Victoria, Tex., March 28.—(Special Telegram.)—The Giants won the long end of a 5 to 2 score with Omaha Buffaloes here yesterday afternoon after eight innings of baseball. The game was called at the end of the eighth frame on account of a heavy rain.

Malone, who went the whole route for New York, took a brace after allowing three hits and two runs in the first inning, and then the Buffaloes were never able to puncture the New York defense. They had numerous chances to score but Malone and his team mates were right on the job and nipped the rallies in the bud.

Orkie started for the Buffaloes and for five innings he pitched superb ball. In the third frame the New Yorkers made two hits count for one marker, but in the sixth frame the Yanks laid down a barrage of hits, getting four in a row, which, coupled with Omaha error, set the scene for a 5 to 2 victory. Wilson relieved Orkie and pitched two innings and held New York scoreless. The Buffaloes were handicapped because of Griffin and Wilcox being out of the lineup. These two athletes lent a lot of weight to the offense and defense of the Buffaloes. Omaha lined up as follows: Lingle, c; Wilson and Orkie, p; Sneed, c; Gialson, 2b; Grantham, 3b; Mee, ss; Amen, lf; Manush, cf; Waite and Walters, rf.

Marty Krug Purchased From Seattle Club—Won Omaha a Pennant

MARTY KRUG'S baseball days appear far from ended. The former Omaha manager has just been sold by Seattle to the Chicago Cubs for \$7,500, and the National League is figuring on him to plug a hole at second base. Krug has been playing ball more than 15 years. Back in 1912 he was in the big league, occupying a berth as utility man with the Boston Red Sox, who that year won the world's championship. Marty didn't stick with the Red Sox, but was sent back to the American association and then to Omaha. He came here as an outfielder.

Pa Rourke, then owner of the Omaha club, made Marty manager of the team and in 1916 Krug won the Western league pennant for Omaha. Marty, however, eventually got in bad with the fans and was let out. He drifted to the coast, where he played such good ball that finally the Chicago Cubs became attracted to him.

A Shrewd Player. It was while playing with Omaha that Krug switched from the outfield to the infield. Marty always has been a shrewd ball player. He takes long chances and for that reason sometimes drew the "raspberry" from the fans because like a 2-year-old, and his arm, too, is still good, they say, despite the fact that he's been playing baseball almost as long as the ranking veteran of the big leagues.

Baseball and Track Practice Starts at Tech

A VERITABLE tidal wave of aspiring athletes flowed onto Omaha Tech athletic field yesterday afternoon in response to the coaches' first call for track and baseball candidates.

Assorting the diamonds from the rough is the big task now facing the two trackkeeper mentors, Drummond and White.

White is to handle the spiked shoe performers, while Drummond will coach the baseball players.

Not in many years has there been such a dearth of experienced performers out for spring practice. However, the coaches saw some promising material in the unfinished products.

In securing Adams as manager of their team, the Norfolk backers have a student of the game and a coach and manager combined. Adams managed a state team last season. He is a player himself, being considered a fairly good pitcher and a good first baseman.

Rates Reduced Again

Beginning March 27 Yellow Cab rates will be reduced another 15 per cent. Note just what the new rates will be.

- 25 cents for the first two-fifths mile.
- 10 cents for each additional two-fifths mile.
- 20 cents for each passenger over one for the ENTIRE TRIP.

This latest reduction makes the Yellow Cab fare the lowest in Omaha. Four months ago Yellow Cabs made a reduction of 10 per cent, now another of 15 per cent. The second liberal reduction in four months' time.

The new reduction means a saving of 5 cents per mile, and Omaha's Yellow Cab rate is now the second lowest in America.

But before our stockholders come our employes. They are all loyal to the Yellow Cab & Baggage Co. and are giving you the kind of service that we know they should and that we know you are entitled to.

We do not want any bouquets and we do not feel that we are public benefactors, but we do want Omaha to know what we are trying to do and to know that this is a corporation with a business conscience.

We have arranged for the Meter Company to install five of the new meters per day with the new rates. These new meters print in ink your complete receipt.
