

Man in Hypnotic Triangle Case to Fight for Child

Herbert Russ, Held in Jail Till Abandoned Husband Heard From, Would Marry Woman.

"I've been a pretty good fellow; they ought not do anything with me," said Herbert Russ, a corner of the "hypnotic triangle," just before he was arraigned in police court yesterday morning.

After being held while detectives investigated a charge that he ran away with Mrs. Archie Lambert, Minneapolis, leaving her four children behind, Russ faces a charge of vagrancy—the lever to hold him.

Judge Foster decided to restrain him two days more, expecting instructions from Archie Lambert, now at Zimmerman, Minn.

Russ was relieved by information that the federal government would not prosecute him.

"They ought not," he said. "I've been a pretty good fellow."

"They can 'tag' me out of town," he added, "but I'll be back to fight for my baby and for Mrs. Lambert, whom I will marry as soon as I can

Sop, Sop, Sop! Police Booze Squad Is Marching—Armed With Sponges

Sponges became standard equipment yesterday for members of the "booze squad" of the police department.

"One for every man," was the order issued by Sergt. Frank Williams, heading the morals squad, after lack of "sopping mediums" had almost failed to make a case against Arthur Tinker, 2224 North Nineteenth street.

When the Tinker home was raided Tuesday night, a glass jar containing liquid was broken in a sink and its contents flowed through the drain—all except a bit soaked up in a rag and preserved by Williams in a tin can that he submitted before Judge Foster yesterday morning as evidence.

After one whiff of the rag, Judge Foster fined Tinker \$100 for illegal possession. Mrs. Tinker, charged with resisting an officer and said to

get a divorce for her, I love them both and nothing can keep me from rejoining and protecting them."

Mrs. Lambert expected to be released last night. The unnamed baby born to her and Russ will be held temporarily at the Child Saving institute. If they marry, they can have the baby, officials say.

have been intoxicated, was fined \$10. Sponges would have enabled the officers to save half a pint of the liquor, in Williams' opinion, and when the conviction of Tinker was made certain by the rag substitute, he issued the order for all his men to carry sponges.

"Throwing out the liquor is a common practice," the sergeant declared. "One of my men once went in a cellar with a pan and caught drippings from liquor poured on a floor but sponges are more practical."

Five Boys Held on Charge of Robbing German Home

Ranging from 11 to 14, five boys, Robert Jack, 4320 South Thirteenth street; Ted Herring, 4312 South Fifth; Tom Anglin, 4324 South Nineteenth; Godfrey Kanucic, 4518 South Seventeenth, and Len Brown, 110 South Twenty-sixth, are held by detectives as the gang that recently robbed the German home of \$48.

Used Two Names Says Ex-Sheriff

Charles Hutter, Once Sarpy County Official, Clears Self of Forgery.

Charles Hutter, former sheriff of Sarpy county, was discharged yesterday afternoon after a lengthy hearing before United States Commissioner Boehler, which revealed an extraordinary condition.

Hutter was charged with forging the signature of Marcus Hutter, his brother, to a bond for the release of Estelle (Foot-and-a-Half) Butler, held on a federal charge, in Lincoln last June. Butler is now in the Douglas county jail.

Hutter testified that for several years he has done business under the name of Marcus Hutter, with the latter's permission. He said he owns a farm in Mississippi, one in Colorado and other property, all in the name of Marcus Hutter and worth altogether about \$50,000.

A bank account in the Security

State bank, started last August, was referred to. It is in the name of Marcus Hutter.

Charles Hutter said he took this name to avoid collection of two judgments rendered against him while he was sheriff.

He said he made the money to buy this property by trading.

Good Firm Flesh—

Increased Weight, Strength and Energy—Amazing New Food Factor.

Thousands who have always been complaining about being weak, thin, emaciated and run-down may now find in Yeast Vitamins when used in connection with Nuxated Iron the very thing which will often quickly help them to put on good firm flesh, round out face and figure and increase their strength, energy and endurance, provided their blood contains a sufficient quantity of oxygenated organic iron, to enable them to assimilate these food properly. Without organic iron both food and Vitamins are absolutely useless, as your body lacks the power to transform lifeless food matter into living cells, flesh, muscle and tissue, therefore your food merely passes through your body without doing you any good.

It therefore appears that in practically all cases where Vitamins are necessary, organic iron is also necessary.

To prove to you the surprising results which you feel should be quickly obtained from this valuable combination, arrangements have been made with druggists in this city to give you a LARGE DOLLAR PACKAGE OF GENUINE YEAST VITAMINE TABLETS ABSOLUTELY FREE, with your purchase of a bottle of organic Nuxated Iron. Take your Vitamins Tablets before meals and organic Nuxated Iron after meals. Weigh yourself before you start and again after ten days and see how much you have increased in weight, also in strength, vigor and energy. If you are not perfectly satisfied with your results, we will refund your money.

Free

IMPORTANT: We recommend that you do not take Vitamins unless you wish your weight increased—if you merely wish greater strength, energy, physical and mental vigor, we recommend that you take Nuxated Iron only.
