The executive committee consists of Ralph Peters, Omaha Country club; C. C. Sanford, Edgewood park; and G. H. Yoder of York, Neb. Peters was state champion in 1921, losing his crown last season to Blaine Young of the Field club.

The annual state golf tournament will be held August 28 to September 2 inclusive, at the Omaha Field club. The date of the 1922 event was decided during the meeting yesterday.

Last season the tournament was held at the Happy Hollow club. The entry list last year was the largest in the history of the association.

Meusel Steals Second
Twice in One Inning
New York, April 7.—The Yankees were at Richmond, Va., today, hoping to stem the tide of defeat which has been setting heavily against them in their series with the Brooklyn Dodgers.

The Yankees were unable to get a man across the plate, while Brooklyn amassed five runs in the game at Norfolk yesterday.

The Giants turned on the White Sox at Bristol, Tenn., and administered a 13 to 3 beating to the Windy City team. The Giants got 16 hits to nine or their opponents. Meusel performed the unusual feat of stealing second twice in one inning.

Baltimore Club's Case to Be Heard on April 12
Washington, April 7.—By strange coincidence the calendar of the supreme court, it developed yesterday, calls for oral argument on a case vital to organized baseball April 12, the day designated as the inauguration of the major league season.

The proceedings which at that time will come up for argument were instituted by the Baltimore club of the defunct Federal league, which alleged it had been damaged to the extent of \$300,000 by the failure of the Federal league, due to the activity of the major leagues.

Grimm Stars at Plate.
Pittsburgh, April 7.—"Lefty" Grimm, first baseman for the Pirates, who has been setting a terrific pace at the bat while the club has been whipping into shape in the south, added to his pre-season laurels yesterday when he smashed out four hits out of five trips to the plate in the game with the Springfield, Mo., team of the Western association.

One of these was a home run with two men on base. The Pirates piled up 16 hits.

Buffaloes Win Final Game by 4 to 2 Count

Dallas, Tex., April 7.—(Special Telegram)—With a shifted infield, due to Wilcox's bad ankle, Omaha again defeated the Dallas (Tex.) leaguers here yesterday by a count of 4 to 2. The visitors were slightly out-hit, but they bunched their bingles effectively with Marine bobbles in the field and battery boners.

Brantham got back in at third with his sore finger, moving Meever to short. Burch tried Herman out at first base. Gislason's three singles composed the notable hitting contribution of the afternoon. The left-hander Drugman pitched fair ball, while Stokes blanked Dallas.

Drugman was safe on a boot at short in the third; and Spencer could not handle Gislason's long single to left. Mee's bunt forced Drugman, but Falk fumbled Lee's grounder, filling the bases. Gislason scored on Manush's long fly to left. Griffin forced Lee.

A walk, Drugman's wide throw on Allen's bunt and Donohue's short single filled the bases for Dallas in the third, and one run was scored while Galoway was hitting into a double play started by Mee. Seagriff fanned.

In the fifth Gislason walked with one out, took second on a wild pitch and after Mee's fly-out scored in the third, and one run was scored while Galoway was hitting into a double play started by Mee. Seagriff fanned.

In the sixth, Griffin singled, Herman fanned and Brantham walked. Forrest threw to second to catch Griffin and the latter stole third, coming home on Seagriff's high shot over first to nail Brantham on a short passed ball. Wilder rolled out.

In the eighth, Manush was safe on an error and went to third on Griffin's safe bunt, the latter sneaking onto unprotected second. Hill struck out Herman and Brantham, but Manush scored on his wild pitch and Griffin was out trying to score on the same play.

Claim Yanks Have the Best Hurling Staff

New York American Fans Believe That With "Big Five" Pitchers in Fold Huggins Will Cop Flag.

Any New York Yankee baseball fan will tell you that New York has the best pitching staff in the game with the so-called "Big Five"—Mays, Hoyt, Shawkey, Jones and Bush—and perhaps he will be right. Then he can mention casually Babe Ruth and a couple of others and—on paper—the Yankees already have the 1922 pennant. But, from April 12 to May 20, neither Ruth, nor that other slugger, Meusel, will be able to perform in the pennant race, and the Yankees will just about have to have the best pitching staff in the business if they're going to make good the paper prophecy. A great pitching staff, furthermore, doesn't necessarily mean a championship team but the absence of Ruth and Meusel will, for the period, mean a weak outfield and a weaker batting club. Huggins has plenty to worry about.

That outfield, for instance, Miller, the boy that showed such great form in the closing days of the 1921 race, is a fixture in center. That's settled. When Ruth and Meusel are again eligible to play the remaining positions will be settled. But until then Huggins has to dig up two capable fielders to fill in. One tentative pick, for left field, is Chick Easter. He's a good ball player and has played the outfield, but his forte appeared to be in the infield. Bobby Roth should have taken the other job without much opposition but Bobby, recalcitrant as ever, has been banished from the team. Schang is a possibility, but Schang is a better catcher than outfielder and worth more to the Yankees behind the bat.

Remaining are a flock of youngsters only one of whom appears to have a chance. He is Haines, former Penn State athlete. Glenn Kilfinger, the All-American footballer, soon covered as a second catcher. If Huggins decides to use Schang in the outfield, he will, for the period, be weakening his catching department. Devermer and Hofman are good enough to round out the staff, but neither compares with Wally. The infield is wrapped up and ready for the money. Pipp will be at first, Ward at second, Scott at short and Baker at third. The one change Scott for Peckinpaugh, brings a slight reduction in batting strength, but there's no disparaging Scott as a shortstop. Mike McNally, a great fielder, McMillan, a great batter and Mitchell are the extra infielders. Fewster will be added to the list when he gets through with his out-fielding assignment. All around it's a darned good infield crew.

The pitchers? Digest some figures: In 1921 Mays won 27 games; Hoyt, 19; Shawkey, 18; Jones, 23; Bush, 16. The last two, remember, were with a second division club. There's a total of 107 victories—enough to win a pennant. If these five do as well this year—and no one ever expects to do as well as they did last year—the Yankee. The point is, will they do as well? To balance his pitching staff, Huggins has acquired the conventional southpaw. He is O'Doul, from the Coast league. Huggins thinks he's good enough for a regular and looks good to replace Harper, now ailing, as first aid southpaw.

Famous Italian Driver Not Killed in Auto Race
London, April 7.—The London office of the Fiat Motor Car company today received a message from Turin, Italy, denying that Felice Nazzaro, prominent Italian racing driver, was killed in the recent Targa Florida race as reported by a dispatch Sunday from Serda, Sicily. A driver bearing the same name was killed in that race, the Turin message said, but he was the nephew of Felice, who was not hurt.

Yankee Fans Want Ruth Reinstated in Team's Lineup
New York, April 7.—Dyed-in-the-wool Yankee fans today started circulation of a petition to former Judge K. M. Landis, commissioner of baseball, requesting the reinstatement of "Babe" Ruth in the American league team lineup that he may play the opening game of the season. G. C. Hill, who is sponsoring the petition, said tonight he had obtained 1,000 signatures in a few hours, and expected to have fully 20,000 before he presented it to Commissioner Landis.

The petition declares that it is the opinion of a majority of fans that Ruth's suspension until May 20, imposed when he persisted in playing on a "barnstorming tour" last fall should be lifted, that the public may see him in action and that he may attempt to make another home run record.

"We do not censure Judge Landis for enforcing this rule," it says, "but we think he should consider the public and take steps to have the rule revoked."
