#### Shoes That Fit the Springtime

When spring comes, and leaves ud, and the grass grows green, and the air turns soft and warm and fragrant, aren't you going to feel a lot younger? Of course you are. Winter is old age. Spring is youth. Prepare for it now. Start now to feel young. Buy flexible, comfort-able shoes. Nothing in your wardrobe can hurt you more than the wrong kind of shoes. For appearance, you will like

Cantilever Shoes, with their graceful, sensible lines, their modish low and medium heels, their fine materials and fine workmanship

#### SO COMFORTABLE!

For comfort, and the avoidance of foot troubles which so many women needlessly experience, Cantilever Shoes are in a class of their own, famous and praised the country over. They are made with flexible arches—not the rigid shanks you get in ordinary shoes. This flexibility of the Cantilever Shoe, permitting free circulation and strengthening action of the foot muscles, enhances the grace and youth of your walk.

Cantilever Shoes keep your feet from getting tired, help you enjoy the out-of-doors, improve your health. You will enjoy wearing Cantilevers; for their trim appearance as well as their comfort.

All guess work eliminated in fitting your shoes now. We have just installed an X-Ray machine and every shoe is now fitted by X-Ray without extra charge to you.
