

Association to Aid Motorists Formed in State

Organization, With Headquarters at Lincoln, to Offer Information and "Pull-in" Service.

To serve automobile owners throughout the state with legal advice, information on roads and garages, location of hotels, restaurants, parks, hunting and fishing grounds, tourists camps, and in other ways, the Nebraska Automobile association has been incorporated, with general offices in Lincoln and a branch office in Omaha.

George C. Mason, Lincoln business man and financier, is president of the new organization; Rodney S. Dunlap, former educator and recently a graduate from the law department of the University of Nebraska, is vice president and general manager; Allan M. Wilson, accountant, is secretary and auditor; Victor E. Wilson is treasurer and chairman of the board of directors, and W. C. Parriott, ex-supreme court commissioner, is the corporation attorney.

Free "Pull-in" Service.

H. H. Erwin, Lincoln realtor, will be manager of the Omaha office, which will be located in the Hotel Fontenelle. The association already has a corps of 20 men in the field, gathering information and establishing information bureaus and agencies. Annual membership fee in the association is \$10. The association plans to establish information bureaus and active membership agencies in every city and town in the state.

Information in regard to highway conditions will be distributed from headquarters to local bureaus by radio telephone. The association will route travelers, select and recommend to its members reputable dealers and repair men, and furnish free "pull-in" service in the case of automobiles disabled or wrecked on the road.

Guide to Be Published.

Information in regard to the practice of insurance companies in adjusting claims will be furnished and a reward of \$100 paid for information which contributes to the arrest and conviction of a thief of a member's car.

An annual volume of information for automobile owners and drivers, containing routes, location of information bureaus, hotels, garages and camps, known as "Nebraska Highway Guide," will be published. Each member will be furnished a copy of the guide, membership card, car emblem and three "pull-in" cards, it is announced.

The association will co-operate with local organizations in promoting establishments, improvement and maintenance of highways, camps and other facilities used by automobilists.

Mrs. J. Barrett of Sioux City Dies at Daughter's Home Here

Mrs. John Barrett of Sioux City, who was taken ill on a Union Pacific train on her way from California to her home in Sioux City, died at the home of her daughter, Mrs. G. F. Gorhan, 3819 Florence boulevard, Friday night.

Mrs. Barrett, who was 75, was the widow of the late John Barrett, pioneer Sioux City contractor. She is survived by three sons, R. W. Barrett of Omaha, J. R. and J. E. Barrett of Sioux City, and four daughters, Mrs. G. F. Gorhan of Omaha, Mrs. D. L. Holley of Long Beach, Cal. and Mrs. D. W. Thompson and Mrs. J. Bruce of Sioux City.

Detroit Detective Chief Wounded in Bandit Battle

Detroit, Mich., April 8.—Edward H. Fox, chief of detectives, was shot and perhaps fatally wounded here late today, when he engaged in a revolver duel with three bandits who attempted to hold up a meat shop where Fox, accompanied by his wife and daughter, was making a purchase. The bandits escaped in an automobile.

Absent Banker Is Elected Mayor by Writing in Name

Handbills Scattered Over David City Night Before Election Win Victory— Reception Given.

David City, Neb., April 8.—(Special.)—While he was absent in California, the name of Arthur J. Wyatt, merchant and banker, was written on the ballot for mayor in the city election. He was elected by a big majority.

E. A. Conial and Alex Etting were the candidates at the primary. Conial withdrew, leaving Etting the only candidate. The night before election handbills were scattered throughout the town, urging Wyatt's name. He was mayor in 1916-1918.

A big reception was given Wyatt when he arrived Wednesday from the west. He was met at the train and escorted to the public square, where he made a speech. Wyatt is president of the City National bank and president of the Butler County Bankers' association.

Other officers elected were: City clerk, Robert Sweeney; treasurer,

Arthur J. Wyatt.

Frank Peschek; engineer, S. Clingman; school board, John Eberly, and Mrs. J. L. Reddy.

Boy Will Escort Youth to Kearney

Ex-Reform School Lad to Take Prisoner on His Visit.

Harry Grossman, 16, 812 North Sixteenth, has been sentenced to the State Industrial school at Kearney twice.

Yesterday he asked Juvenile Judge Sears if he might return. The judge granted his request, but this time Harry is to return as a guest, rather than a prisoner.

Judge Sears promised to provide him with a youthful prisoner to take to the institute.

"I'll sure get him there," promised Harry. "I don't care if he is bigger than I am, he won't escape."

This will be first time in the history of juvenile court that one youth has escorted another one to the Kearney school. Judge Sears as yet has not designated the youth Harry is to take.

"Kearney is a good place to learn a lesson," explained Harry. "I get kind of homesick for it, too. If V. Clark, he runs it, and he and I are good friends. I want to see him again. It's been two years since I was there."

Harry says his father is dead. He lives with his mother, Mrs. E. Grossman, at 812 North Sixteenth street.

I. C. C. Suits Are Ordered Halted by State Body

First Steps Taken Toward Getting Dismissal of Injunction Making Commission Powerless.

Lincoln, April 8.—(Special Telegram.)—The Nebraska railway commission today issued an order dismissing all litigation in the United States court between it and the Interstate Commerce commission relative to the increased freight and passenger rate order of the Interstate Commerce commission, which was resisted by the Nebraska body.

It is the first step toward getting a dismissal of an injunction against interference in rate cases issued against the Nebraska commission by the federal court at the solicitation of the railroads and dismissal of an order by the Interstate Commerce commission, which held that the Nebraska commission in fighting the rate increase order was guilty of attempted discrimination against interstate rates.

The Nebraska commission did not make this order until the United States supreme court in a recent decision upheld the rate increase authorized by Interstate Commerce commission and turned down the order of the Nebraska commission, which called for a lower rate.

When the injunction is dismissed it means that the Nebraska body can function in regulating state rates, the

same as in former years, subject only to the condition that such regulation shall not unduly discriminate against interstate commerce, H. G. Taylor, chairman, explained. Ever since the injunction was issued the Nebraska commission has been powerless to handle rate questions of any description.

Boy Says He'll Be 'Bad Man' if Sentenced to Kearney

"If I have to go to Kearney I'll start on a career." This was the tearful threat of Lawrence Boylen, 16, who was arraigned before Juvenile Judge Sears

yesterday, charged with shoplifting. "You can't bluff the court with such threats," retorted Judge Sears. Harry Palmer, to whom Lawrence had been paroled on a former offense, told Judge Sears that Lawrence was "son the square," but that if allowed to continue in his present environment he doubtless

would be arrested on some major charge.

Judge Sears ordered Lawrence to walk to Riverview home and remain there for a week, until it could be learned if an uncle in the east would keep him.

Women of Middle Age

THE critical stage of a woman's life usually comes between the years of 45 and 55, and is often beset with annoying symptoms such as nervousness irritability, melancholia, heat flashes which produce headache and dizziness, and a sense of suffocation. Guard your health carefully, for if this period be passed over safely, many years of perfect health may be enjoyed.

Lydia E. Pinkham's Vegetable Compound is especially adapted to help women through this crisis. It exercises a restorative influence, tones and strengthens the system, and assists nature in the long weeks and months covering this period. It is prepared from medicinal roots and herbs, and contains no harmful drugs or narcotics. Its value is proven by many such letters as these:

Denver, Colo.—"I have taken Lydia E. Pinkham's Vegetable Compound and I can not tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for it. My husband saw your ad. in the papers and said, 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound.' So I let him get it, and I soon felt better. 'I took about six bottles.' I keep house and do all my own work and work out by the day and feel fine now. I tell everyone about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33rd Ave., Denver, Colo.

Metropolis, Ill.—"I have taken Lydia E. Pinkham's Vegetable Compound and it is all it claims to be and has benefited me wonderfully. I had been sick for eight months with a trouble which confined me to my bed and was only able to be up part of the time, when I was advised by a friend, Mrs. Smith, to try Lydia E. Pinkham's Vegetable Compound and Liver Pills. I was so much benefited by the use of these medicines that I was able to be up and about in two weeks. I was at the Change of Life when I began taking the medicines and I passed over that time without any trouble. Now I am hale and hearty and do all my household work."—Mrs. EMMA CURTIS, 705 E. 7th St., Metropolis, Ill.

Letters like the above do influence women to try

Wipe Out Every Rat and Mouse

Amazing New Discovery Gets Them All — Not a Poison.

Don't be satisfied with trapping or poisoning just a few. Exterminate the whole bunch—old, young, big and little. Rats do millions of dollars' damage each year. They kill chickens, destroy grain, damage buildings and property. They are filthy, dangerous, destructive disease carriers.

A wonderful new scientific discovery called Imperial Virus now enables you to clear your place of every rat on it. The amazing feature of it is that it is not a poison and affects rodents such as Rats, Mice, Gophers, etc., only. It is perfectly harmless to humans, stock, poultry, pets. It can, therefore, be spread anywhere knowing it will kill only the pests you want to get. One rat affects the others and in a short time the whole colony is exterminated, root and branch. They die outside, too, hunting air and water.

Special Introductory Offer. The manufacturers of this amazing Virus are anxious to get immediate distribution everywhere and are making a special offer of one big double-sized (double strength) bottle of Imperial Virus for \$1.00. It is certainly worth \$1.00 to every household to exterminate every rat and mouse around the place. It is backed by our guarantee to do this or your money will be refunded any time after 15 days. For sale in Omaha at all Sherman & McConnell Drug Stores. If not convenient to obtain it from these druggists, it will be mailed postpaid for \$1.00 by writing to H. H. Jones, Distributor, 2610 Dorcas St., Omaha, Neb.
