

Suit for Divorce Is Filed Against Mme. Matzenauer

Prima Donna Flew Into Rage, Tore Off Rings, Over "Little Walk," Complaint Alleges.

San Francisco, April 20.—A divorce complaint alleging that she caused him "grievous mental suffering" was filed against Madame Margaret Matzenauer, opera prima donna, here today by Floyd Glatzbach, Del Monte, Cal., chauffeur.

The couple separated a few months ago. Glatzbach, through his attorney, said he did not intend to answer the madame's divorce suit in New York charging infidelity, except through the securing of depositions in Del Monte intended to refute charges that he was false to the marriage vow. No co-respondent is named in the New York action. It was stated, and therefore no cross-complaint would be filed.

Troubles Begin.

Instead the chauffeur will concentrate virtually all of his attention on the San Francisco action. Today's complaint states that the wedding blossoms had hardly faded before his troubles began. From the busy job of jacking up limousines and tuning up motors, he was called to button the madame up the back and lace her shoes, he avers, and the tasks were not to his liking.

He stood it for the first weeks and then suggested calling in a maid at the Swiss hotel, in which they were staying, the complaint said. A quarrel ensued.

There was another passage in Holland, where he was accused of receiving mail secretly. He explained that no one knew his address in Holland and therefore could not receive mail secretly.

A Little Walk.

On one occasion at a European resort Glatzbach, according to the complaint, wanted to take a little walk, and the mere suggestion caused the madame to tear off her wedding and engagement rings and fly into a terrible rage. She threw the rings in his face, the document continues, and then tore up a photograph she had given him and stamped on it.

Regarding their separation Glatzbach walked out of the house on his own volition, and was not ordered out as was generally reported, according to the complaint.

Another scene was opened up in the marital bark when Glatzbach was introduced around in the German language while the couple was touring Germany. He did not understand the language, he said in the complaint, and his request to his wife that she introduce him in English was ignored. One occasion in New York she was strangely calm, he said, and asked for her reason she informed him that she had instructed her attorney to file a divorce action. "Then he packed his suitcase and went back to Del Monte."

Gen. Semenov Freed on \$25,000 Cash Bond

New York, April 20.—A demonstration, typical of his turbulent Russia, greeted Gen. Gregorie Semenov, Cossack chieftain, as he left Ludlow street jail late yesterday afternoon.

Released in \$25,000 bail furnished by his friends, the Cossack leader, surrounded by a detachment of the police department's bomb squad, appeared at the jail door and cringed into his coat collar as the jeers of thousands fell upon his ears.

Senator William E. Borah, chairman of the senate committee investigating the charges against General Semenov, arrived here last night.

Joe Mestl of Dodge marketed a load of cattle and a load of hogs at the stockyards. The steers he brought in were Herefords that were sold for an even \$8 a hundred. They were purchased here at \$6.20 a hundred.

"Feeders have given up hopes of any material advance in cattle prices," said Mr. Mestl, "and as a result more good cattle are being sent to market at this time than a few weeks ago."

Had Just Given Her \$200, Claims Man Who Killed Bridegroom of Day in Home.

"I didn't know they were married. I didn't even know he was in the house. I have just given her more than \$200 and was looking forward to a reconciliation with her."

These were the words yesterday morning of H. D. McAtee, Council Bluffs machinist, accused of the murder of J. B. Jacobsen, one-day husband of his divorced wife, Viola McAtee, Wednesday morning.

McAtee was arraigned on first degree murder charges in Bluffs police court, waived to the grand jury on advice of his attorney, John P. Tinley, and was ordered held without bond.

Recently Divorced.

McAtee was divorced by his wife three months ago. He blamed Jacobsen with breaking up his home. Just after he gave money to his divorced wife Wednesday at her home, 2009 Avenue D, the bridegroom suddenly appeared, he alleges, and made as if to attack him. McAtee warned that he would shoot to kill, he de-

clared, and then fired five shots. Jacobsen died almost instantly. Jacobsen and McAtee's divorced wife were married Tuesday at St. Joseph, Mo.

Gives Self Up.

McAtee called police after the shooting, then went to police headquarters where he surrendered. The divorcee-bride-widow is prostrated over the shooting. She has two children, Beryl, 13, and Darrell, 21, who is married and lives at 1608 South Eighth street.

Jacobsen is survived by his mother, Mrs. Jennie Jacobsen, 103 South Thirty-seventh street.
