

Council Bluffs Society

Prenuptials.
Among the affairs given in Council Bluffs during the past week for Miss Geraldine Hess and her fiance, Douglas Peters, were a buffet supper on Sunday night with Mr. and Mrs. Chester Dudley host and hostess, and a dinner of 16 covers Tuesday night at the George VanBrunt home given by Mr. and Mrs. Van Brunt and Mr. and Mrs. Charles R. Hamman, jr.
Mr. and Mrs. E. A. Wickham entertained 40 guests at a dinner-dance Thursday night for Miss Hess and Mr. Peters, the members of the bridal party all being seated at one table which was adorned with an attractive old-fashioned floral centerpiece. Three smaller tables similarly decorated were placed for the other guests.
Saturday, a very pretty luncheon was given by Mrs. W. L. Douglas complimentary to Miss Hess. A color scheme of pink was used and 14 guests were present.
The buffet supper planned by Mr. and Mrs. George Mayne for this evening, at which Miss Hess and Mr. Peters were to share honors has been canceled owing to the illness of the Maynes' little son, Frederic, and in lieu of this event the members of the bridal party will probably go on a motor picnic.
The only luncheon at which both the girls and men will be included is on Tuesday when Mr. and Mrs. John Melhop, jr., will entertain the entire bridal party at their home, after which there will be a rehearsal at St. Paul's Episcopal church, which is to be the scene of the wedding next Wednesday evening.
Among the Omaha people who entertained last week for this bride and groom-elect were Mr. and Mrs. M. C. Peters, Mr. and Mrs. Ralph Peters, Miss Vernelle Head, David Caldwell, Ray Millard and Clarence Peters.
Tomorrow night at the home of Mr. and Mrs. Charles Allison a dinner will be given for this fated couple and later the guests will be entertained at the Orpheum, followed by supper at the Brandeis tea room with one of the bridesmaids, Miss Dorothy Judson, the hostess.
The bridal dinner which Mr. and Mrs. J. J. Hess will have Tuesday is to be given in Omaha, also at the Brandeis restaurant.

Congregational Bazar

Beautiful lacquer fans, hand-made flowers and boudoir fancies will be for sale at the bazar in connection with the First Congregational church luncheon to be given Tuesday. Mrs. Sidney Gordon and Mrs. Robert Reasner are in charge of this feature of the occasion.
Advance reservations for the luncheon indicate a successful affair. Among those who will entertain are:

Mesdames W. A. Fraser, Arthur Remington, C. N. Dietz, George Squires, C. C. Belden, C. G. McDonald, W. A. Redick, Charles Metz, Walter Page, Francis Brogan, Ed P. Smith, Fred Metz, C. M. Wilhelm, R. De Long, J. E. Baum, C. C. Calkins, R. E. Segur, A. L. Reed, J. H. Wright, R. J. Dinning, W. E. Rhoades, C. O. Talmage, Norris Brown, M. P. Feil and Alvin Johnson.
A "no host" dinner at the Brandeis tea room before the dance included Dr. and Mrs. W. A. Cutler, Messrs. and Mesdames Don Waller, Reed Flickinger, George Wickham, G. L. Berger, Jack Day, Miss Claire Kinzel and Bob Wickham.
Supper.
Mr. and Mrs. Fred Baumeister will give a supper tonight for eight guests at their home on South First street.
Miss Douglas has lead.

How Famous Movie Stars Keep Their Hair Beautiful

The Secret of Having Soft, Silky, Bright, Fresh-looking Hair
STUDY the pictures of these beautiful women and you will see just how much their hair has to do with their appearance.
Beautiful hair is not a matter of luck, it is simply a matter of care.
You, too, can have beautiful hair, if you care for it properly. Beautiful hair depends almost entirely upon the care you give it.
Shampooing is always the most important thing. Shampooing brings out the real life and lustre, natural wave and color, and makes your hair soft, fresh and luxuriant.
When your hair is dry, dull and heavy, lifeless, stiff and gummy, and the strands cling together, and it feels harsh and disagreeable to the touch, it is because your hair has not been shampooed properly.
When your hair has been shampooed properly, and is thoroughly clean, it will be glossy, smooth and bright, delightfully fresh-looking, soft and silky.
While your hair must have frequent and regular washing to keep it beautiful, it cannot stand the harsh effect of ordinary soaps. The free alkali in ordinary soaps soon dries the scalp, makes the hair brittle and ruins it.
That is why leading motion picture stars and discriminating women, everywhere, now use Mulsified coconut oil shampoo. This clear, pure and entirely greaseless product cannot possibly injure, and it does not dry the scalp or make the hair brittle, no matter how often you use it.
If you want to see how really beautiful you can make your hair look, just follow this simple method:
A Simple, Easy Method
FIRST, put two or three teaspoonfuls of Mulsified in a cup or glass with a little warm water. Then wet the hair and scalp with clear warm water. Pour the Mulsified evenly over the hair and rub it thoroughly all over the scalp and throughout the entire length.
Rinse the Hair Thoroughly
THIS is very important. After the final washing, the hair and scalp should be rinsed in at least two changes of good warm water and followed with a rinsing in cold water.
After a Mulsified shampoo you will find the hair will dry quickly and evenly and have the appearance of being much thicker and heavier than it is.
If you want to always be remembered for your beautiful, well-kept hair, make it a rule to set a certain day each week for a Mulsified coconut oil shampoo. This regular weekly shampooing will keep the scalp soft and the hair fine and silky, bright, fresh-looking and fluffy, wavy and easy to manage—and it will be noticed and admired by everyone.
You can get Mulsified at any drug store or toilet goods counter, anywhere in the world. A 4-ounce bottle should last for months.

theater by the pupils of Brownell Hall, Miss Elizabeth Douglas of this city will take the part of Viola, the leading role in this Shakespearean play.
Miss Douglas is in her sophomore year at Brownell, and although not a pupil in the expression class was chosen by the coach for this particular part.
Another former Council Bluffs girl who will have a leading role is Miss Sibyl Tubbs, who recently moved from here with her parents, Dr. and Mrs. R. E. Tubbs, to Emerson, Ia., where they now reside.
Card Party.
A card party, the proceeds of which will be used for charity, is to be given next Thursday afternoon at the home of Mrs. E. A. Wickham, 525 Third street.
Tables will be placed for bridge, high five and "500" and nine handsome prizes are to be awarded the winners.
During the afternoon the committee in charge will serve light refreshments.
Tickets for this affair may be secured at the door.
Tea.
At the home of Mrs. Wood Allen an informal tea was given Saturday by Mrs. John Keating.
Dinner.
Mr. and Mrs. Elmer Shugart have planned to entertain 10 guests for dinner next Tuesday evening, and later they will attend the dancing party at the Eagles hall.
The affair was planned complimentary to Mrs. C. T. Dunkle, who is visiting at the O. P. Wickham home, and most of the guests were members of a club to which Mrs. Dunkle belonged before her marriage.
Luncheon.
Mrs. X. W. Kysrett gave a luncheon for eight guests Saturday at the Brandeis tea room in Omaha.
New Home.
Mr. and Mrs. Henry B. Jennings purchased during the past week the home of Judge and Mrs. J. R. Reed on McPherson avenue, and plan to take possession in the near future.
Winners Entertained.
Four members of the Wednesday Bridge-Luncheon club who had the lowest scores during the season entertained their lucky opponents at an Orpheum party last week which was preceded by luncheon at the Brandeis.
Tonsils Removed.
Miss Adele Plumer submitted to a tonsil operation last Monday and is now progressing nicely at her home.
To See Passion Play.
Mrs. A. Louie and her daughter, Miss Leontine, who went overseas last May for a year of travel and study are now in Africa and will not return home in April as originally planned, but will remain over to see one of the first performances of the Passion play, after which they will sail for America.
Bread Boxes vs. Rust.
Tin bread boxes are prevented from rusting by pasting pieces of oilcloth on the bottom of the container.
