

Fusion Plan of Democrats Gets Last Minute Blow

Bryan to Be Only Speaker at Harmony Banquet in Lincoln Tonight—Guest List Limited.

Lincoln, April 28.—(Special.)—Something happened to mar the Bryan-Hitchcock fusion plan centered around the appearance of William Jennings Bryan at a dinner here tomorrow night, where he is expected to sound a hitherto hidden harmony note in bourbon ranks. The original plan was to have

Mayor James C. Dahlman, avowed wet and reactionary, as the chief harmony speaker for the Mullen-Hitchcock faction. Some say Mayor Dahlman learned his henchmen in Omaha refused to countenance such a spectacle. Others say William Jennings Bryan learned of the plan and wired to friends here that to have "Jim" Dahlman extend the olive branch was "too much." Anyway, it won't happen. Those in charge of the banquet issued a perfunctory announcement that all speeches, excepting that of William Jennings Bryan, had been abandoned and the guest list at the dinner would be reduced to 250 with practically every banquet ticket sold at noon today. The speech will be delivered at the Grand hotel immediately after the banquet. The banquet is scheduled to start at 6.30. See Want Ads Are Best Business Boosters.

Americans Fit Up Barrack in France and Hold Clinics

Once or twice a week clinics for mothers and children are held at Chavignon, near the Chemin des Dames, where the American committee has fitted up a barrack for a dispensary and to house the visiting nurses of this section. Dr. Fizio, a retired French physician, gives his services free of charge, and the committee furnishes the nurses.

Miss Fenn Leads Bee Contest Ballooning

(Continued From Page One.) The letters in the sign are seven feet high.

Friends Form Groups. Friends of Miss O'Brien have divided themselves into two groups to secure votes, the group securing the greatest total to receive a banquet at the expense of the other group. At Union Pacific headquarters sashes of white ribbon are being worn printed in red and blue with the name of Miss Donn and the shield of the Union Pacific in the colors of the road. Large cards are also being used and everywhere is heard the slogan, "It must be Donn for France." The flagstaff of the Union Pacific building floats an enormous banner carrying the name of Miss Donn. Hotel Fontenelle has placed its ballroom at the disposal of Miss Funk, to be used in raising funds for the candidate of the Salon de Beauté.

Friends of the other candidates are secretive and when told of the progress of the campaigns smile in a knowing manner and many knowing winks are exchanged that seem to say, "Wait until you hear about us."

The first deposit of Miss Kaufmann was made possible by a subscription from the girl employes of the Stockyards National bank, who took this method of augmenting their subscription of \$100 by the 250 vote bonus.

Will Speed Payments. At a recent meeting of business men Miss Morgan said, "The future industrial life of America depends upon the rehabilitation of every village in France. Only by such rehabilitation will France ever be able to pay the war debt owed to us."

In a letter to the Press Guardian, Mr. Ralph Ross of Paterson, N. J., stated, "When a woman like Miss Anne Morgan cheerfully gives seven years of her life and also great financial assistance for this cause, we may take it for granted that the cause is a deserving one and listen to her pleadings for financial aid to the best of our ability."

Einstein Theory Based on Error, Says Swiss Man

M. Edouard Guillaume Attacks Third Deduction—Other Two Confirmed by Experiments.

Berne, April 28.—The celebrated savant, Albert Einstein, who is at present professor at Berlin, has been invited to give a series of lectures at the College de France on those theories of his which so deeply interest the world of science.

Two of the three deductions evolved by Einstein have been thoroughly confirmed by experiments. The third, however, remains doubtful.

M. Edouard Guillaume of Berne read a paper at the congress of Vienna in 1920 showing that certain points in Einstein's theory could not be accepted and that his third deduction was based on error.

In November, 1921, M. Paul Painleve, the celebrated French savant, read a paper before the Academie de Sciences de Paris, in which he came to the same conclusions as M. Guillaume, although by a different route. From the foregoing it will be seen that the discussions which will be held at Paris with Einstein will be most highly interesting. M. Guillaume will take an active part in these discussions.

Wife Says Mate Took One Bath a Year; Asks Divorce

Grand Island, Neb., April 28.—(Special.)—Alleging that her husband refused to take a bath oftener

than once a year or otherwise make himself presentable, and that he had threatened to kill her and her son by a former marriage, Alice V. Pope has brought suit for divorce against Robert Pope. Alimony in the sum of \$5,000 is asked.

Fair at Grand Island Cancels Carnival Contract

Grand Island, Neb., April 28.—(Special.)—Following the recent action by the city council in declaring against any licenses to carnival companies during the approaching season, the council's vote being 6 to 2, and as the result of a protest on the part of the Woman's club against its action in letting contract for a carnival in connection with the county fair in August, the Central Nebraska Agricultural association, after a short discussion, decided to cancel a contract that had previously been made with a carnival company for the annual event of this year. The council made no request of the fair association. The Woman's club offered to the association its co-operation and assistance in securing other lines of attraction.

Kearney Amusement Park Damaged by Fire Is Sold

Kearney, Neb., April 29.—(Special.)—What remains of the Kearney Amusement park following the fire of a month ago was sold under the hammer. J. S. Donnell purchased the grounds, approximately 14 acres, for \$5,000, it is estimated. It is not believed that operation of the park will be resumed, although the new owner has not definitely determined what disposal he will make of the property.

Odell Farmer Dies From Kick in Stomach by Mule

Beatrice, Neb., April 28.—(Special Telegram.)—Fred Kuhlman, 48, farmer living near Odell, was kicked in the stomach by a mule and died a few hours later in a hospital here. A widow and nine children survive.

Stratford Clothes

You Should Know

That a suit that is hand-tailored fits better and invariably is of a better grade of cloth than a machine-made suit.

STRAFORD CLOTHES are strictly hand tailored from start to finish.

We have your idea of a suit here now ready for you, and we know that we can fit and please you by giving you what you want.

And as to fit we emphasize fit—we do not allow any suit to leave this store unless it does fit.

We're merchandisers of high-grade, hand-tailored, all-wool clothes for men and young men—at a reasonable price.
