SYSTEM, according to efficiency experts, is the oil that makes business and economic machinery run smoothly. It makes men and machinery accomplish maximum results. The "Lookout in the Foretop" is the specific system which brings up the efficiency of the Omaha dollar and makes it possible for this unit to bring home a maximum value.

This Dollar-Day in the May Sales has been planned as a demonstration of "Lookout in the Foretop" effectiveness, and every item listed on this page will clearly show the advantages given through our system of clever buying and quick selling.
