For the Live Boys of Omaha

A Meeting Saturday of All Sheldon Boys

A big meeting will be held at the Y. M. C. A. Boy's Division on Saturday evening, this week for all the boys who have signed up for the two camp periods at Camp Sheldon this summer. Cards telling about this meeting have been mailed to every boy who has signed up. The meeting will be at 7:30 sharp and will last until 8:30.

Leaders will be present so that the boys will have a chance to get acquainted with them and the plans for the camp periods will be gone into in great detail.

Physical examinations by doctors will be given all the boys just before they leave for camp this summer and a staff of doctors has been selected by N. J. Weston, physical director at the Y. M. C. A., to give the boys thorough exams.

A few places are still left for boys who desire to go to either of the "Y" camp periods. From June 20 to 30 for younger high school boys and from July 5 to 15 for grade school boys. Boys desiring to go to either of these periods may secure application blanks at the Boy's Division of the Y. Camp booklets may also be secured at the same place.

Special cars on the Union Pacific will take the boys to and from camp again this year. A complete list of leaders for the camps will be announced in next week's paper.

George Benolken to Be Boys' Secretary During Summer Week

George H. Benolken, who will next year be a sophomore in Kenyon college at Gambier, O., has been selected to be boys' work secretary at the Omaha Y. M. C. A. for the summer months, while Messrs. Micklewright and Arnold are in camp with the boys.

George Benolken, one of the outstanding boys graduated from Central High school, was a captain in the regiment his senior year, a letter man in football, one of the leaders in dramatics, and a most popular man with the members of his class. He has been making good this year in his college work and will make hosts of friends for himself this summer through his work in the boys' division.

He will begin work on June 10 and will be in charge of the boys' division through the summer months. Mac Ohman, who has been in charge of the work during the summers for several years will enter business when he finishes school early in June and will sever his connections with the boys' division at this time.

Scores of boys who have known Benolken in high school and through the work which he did at the "Y" his last few years in high school will be rejoiced to hear of his being with them this summer. He will be at Kenyon college again next year, leaving Omaha about September 15.

Baseball Is Popular Among Members of "Y"

With the coming of the spring baseball fever breaks out among all boys of all organizations. At school

tournaments are in progress and have been for some time. On nearly all these teams there are "Y" boys playing important positions.

The carefully planned gym work of the "Y" classes during the winter keeps the boys well trained for the sports of their season. Muscles are strengthened and become skilful with body-building exercises and games directed by Messrs. Weigle and Fisher and the physical department.

During the seasons, soccer, baseball, track and basketball are featured in the classes beginning just previous to the opening of the sports in the schools and churches. "Y" boys get training in the classes which make them choice teammates in their school athletics.

CADILLAC
MEMBER OF THE TRUST

TO RECEIVE continually expressions of appreciation such as these is a fine reward for the efforts of our employees

Says FRANK HOOKER
President First Trust & Savings Bank, Blanchard, Iowa

"The service you render your patrons is wonderful. I certainly appreciate the fine job of overhauling and repainting you did on my Cadillac, and the car never ran better since I owned it. It is a pleasure to transact business at your plant where efficiency and uniform courtesy are evidenced."

Says FRANK W. JUDSON
District Mgr. Pittsburg Plate Glass Co., Omaha, Nebraska

"The service you have rendered me is most satisfactory, and I am more enthusiastic than ever regarding my Cadillac. I have had some wonderful propositions made to me, but I favor the Cadillac because I consider it the best car on the market, and because of the excellent service always received at your establishment. Such service, in my opinion, is an asset an automobile buyer should never overlook."

Says HARRY A. KOCH
"PAYS THE CLAIM FIRST"
Omaha, Nebraska

"I want to compliment you for the service you are giving in connection with the distribution and maintenance of Cadillac cars. My recent trip to Excelsior Springs was most delightful, the car performing wonderfully. I could not ask an automobile to do more. I am happy for having purchased my Cadillac, and am hoping that I may always own a Cadillac in the future."

Says JOHN H. CALDWELL
Vice Pres. United States Trust Co., Omaha, Nebraska

"...conclusively proves that the service rendered by you and your organization is on par with the service rendered by the great automobile which you sell."

To receive unsolicited praises from fine people is evidence that we are approaching our ideal—the efficiency of the great Cadillac car itself.

We shall not be content with satisfied owners—we shall strive to make every Cadillac owner an ENTHUSIASTIC owner.
