Man Is Found Unconscious

at Fremont From Hunger Fremont, Neb., May 30 .- (Special Telegram.)—A man believed to be John Gaines. 52, Casper, Wyo., was discovered lying near the Northwestern railroad tracks in an unconscious condition about 4 Monday afternoon and failed to regain his senses until he woke up in the Fre-mont hospital about 11:30 this morning. Physicans believe Gaines was suffering for want of food when he dropped to the ground in an uncon-scious state. Police believe that he was roaming through the country on

"The League of Nations, framed at Paris, required in its construction the united efforts of many minds, said Mr. Webster, "and after months of deliberation by statesmen from many nations and many different speaking races, contained 38,000 words. Grant expressed it all, when he said in four simple word, 'Let us have peace!"

Lincoln and Grant were compared as complements, the one the soldier, the other the statesman, necessary for each other, and worgink together for good. In closing Mr. Webster said:

"If Grant had failed and Lee had won, and we had two republics in stead of one, would it have been possible for the United States to ever have reached its high position as a commanding world power?"

"If Grant had failed States to ever have reached its high position as a commanding world power?"

"If elegram is the fat steer market was just about regained today, prices advantant capper.

the three together as American examples of the greatest workers for human liberty, advancement of civilization and republican government—Washington, Lincoln and Grant.

"At our national capital, monuments have been erected and memorials unveiled to these three great Americans. Records of their deeds have been carved on granite and embossed on bronze plates; but these may perish under the destroying effects of the atmosphere, but their memories, never, because they have been chiseled and embossed on Time itself."

Locally, the precipitation exceeded one inch, with the total rainfall for the past 30 days being over four inches. A cool wave followed the rain.

See its New Motor

A Ride Tells All

No Advance in Prices

At the height of success, Hudson adopts a new motor.

No car has had a more famous motor than the Super-Six. More than 125,000 owners know its performance. Its reliability in long, hard service is outstanding.

Then how great is the new motor to warrant a change at this time

All the patented advantages are retained in the new Super-Six motor. Without them the improvements would have been impossible.

Even Hudson owners marvel at

the change. Discover the difference. You must know the latest in motor performance, and you will like the new Hudson in other advanced details.

Come drive it. You will be surprised.
