spite of all obstacles. Although he said he was natural-teamer Wiltshire, with a crew of ly disappointed over the delay, he nearly 100 on board, is ashore on the was proceeding with preparations New Zealand coast in a perilous po-

The Swiss law requires that girls under 20 years of age, whether of Swiss or foreign nationality, must have the consent of both parents be-fore they can be married in Swiger-land. Consequently it is considered here that whatever the American court might decided concerning the guardianship of Miss Mathilde, the consent of her mother would still be necessary. But the wedding might take place in another country in which such consent is unnecessary.

Determined Battle.

Chicago, June 1 .- A determined battle to prevent the marriage of Mathilde McCormick, 17, prospective heir to millions, to Max Oser, Swiss riding master, was begun in court yesterday by Mrs. Edith Rockefeller-McCormick, the girl's mother and divorced wife of Harold F. McCormick, millionaire head of the Inter-

national Harvester company. Asking a restraining order from probate court to prevent the mar-riage, Mrs. McCormick declared that because of her "tender age," Miss Mathilde might "become the subject of machinations and intrigues of deof machinations and intrigues of de-signing persons." She added that Oser, a poor man, desired the mar-riage "primarily" because he believed "in so doing he will secure large sums of money and financial gain." The motion was made in Mrs. Mc-Cormick's answer to the application of her daughter for appointment of Mr. McCormick as her legal guard-inn. Under the Swiss law, consent of the guardian or both parents of a minor is necessary for marriage
