

Spanish War Vets to Relive Days of '98 at Camp

Main Street of Tent City at
Hastings to Be Named
in Memory of
Colonel.

The days of '98 will be relived in part by Nebraska Spanish War Veterans at the state encampment in Hastings next Monday, Tuesday and Wednesday, when they will gather in a tent city for the annual reunion.

Veterans of the Spanish-American war and the Philippine insurrection will bunk in the tents and sleep in the open during the encampment as they did during their campaigns.

Named After Colonel.
The main street of the tent city will be known as Stotsenburgh avenue, named in memory of Col. John M. Stotsenburgh, who lost his life in battle with Philippine insurgents at Quingua on April 23, 1899.

The colonel was the only reinforcement that arrived that day. The first Nebraska volunteers had been lying in skirmish formation in the sun for five hours, many of them suffering sunstroke.

Losses Life in Charge.
Colonel Stotsenburgh was in Manila. He heard of the battle. He boarded a train, from which he disembarked at Malolos, hurried on the field and ordered a charge, which he led in person.

Two hundred Nebraska volunteers followed him. In 30 minutes 3,000 Filipinos had been driven from their trenches and routed. But the gallant colonel had lost his life 10 minutes after leading the charge.

Between 500 and 600 veterans are expected to register at this year's encampment.

Nebraska City Postpones Building Community Hall

Nebraska City, Neb., June 10.—(Special.)—The proposed community hall for this city for which \$100,000 bonds were voted in October, 1920, will not be built in the immediate future. This was decided at the meeting of the city commissioners. It is believed that if the matter is put off until next year at least \$25,000 can be saved on material and labor.

Adam Schellinger post, American Legion, was sponsor for the election and some members of the organization disapprove of the action taken, and intimated that mandamus proceedings may be started to compel the commissioners to ratify the expression of the people.

Trial of Palin at Once Is Considered Unlikely

Broken Bow, Neb., June 10.—(Special.)—County Attorney Schaper states it is hardly likely that Benjamin F. Palin and his sister, Mrs. Julia Wilson, will be tried for the murder of the latter's husband, John Wilson, at the adjourned term of district court this month, but that the case will come up at the regular term in October. Palin still retains his long hair and whiskers, sleeps well and has a hearty appetite, but is disinclined to talk of the crime. Mrs. Wilson, who has been quite ill, feels the solitary confinement keenly and is quite nervous.

Electric Signal Lamps Will Be Used at Fairbury

Fairbury, Neb., June 10.—To guide night travelers, four electric beacon lights will be put on top of the courthouse. Each will be of 200-candle power. The county pays for the labor and material and the city furnishes maintenance.

Easy Way to Remove Freckles and Blistches

Some women have skin of such texture they occasionally are annoyed by the sudden appearance of freckles, slight eruptions or fine lines. Sun and wind usually play havoc with skin of this kind. In such cases if one will procure an ounce of ordinary mercurized wax at any drug store, apply a little of it before retiring, like cold cream, the trouble can easily be overcome. When the wax is washed off the next morning, freckles or blotches are removed. No bleach could so effectively remove freckles or other cutaneous blemishes. The new surface is smooth, clear, fresh looking. No harm or inconvenience accompanies this simple treatment.

Cattle From Blair to Be Sent to European Port

J. H. Grimm came in from Blair with two loads of steers averaging 1,340 pounds that sold for \$8.85 a hundred. He said the cattle were bought here seven months ago as feeders for \$4.80 a hundred and made an average gain of 488 pounds.

The cattle were bought for export shipment and will go out today in a long trainload of cattle for European ports.

"There are quite a lot of cattle left in Washington county," said Mr. Grimm, "and I have several more loads for market. My brother also is getting ready to ship in a string soon."

South Dakota Rancher Ships Cattle to Omaha

A load of 20 head of good quality cattle, averaging 1,153 pounds and selling for \$8.50 a hundred, was brought to the Omaha market by C. F. Caldwell of Colome, S. D. Mr. Caldwell, who is head of a cattle company operating the C-2 Rancher ranch, said he had several more loads of good stock that would be ready for market soon and would be shipped to Omaha.

Judges' Suits for Burned Books to Be Heard Soon

Suits of District Judges Sears and Wakeley against Douglas county for payment for their books destroyed in the courthouse fire of 1919 will be heard soon. C. of C. Barbecue Is Attended by Hungry Throng

Many Athletic Events, With
Prizes Totalling \$2,000,
Help Create Appetites
for Big Fiesta.

Three beeves and three sheep, handpicked by "Doc" Frye, barbecue king, disappeared as if by magic under the onslaught of more than 2,000 men, women and children attending the third annual barbecue and field festival of the Omaha Chamber of Commerce at Elmwood park Saturday afternoon and evening.

Tons of Buns Consumed

"Tons of buns" went the same route as the sheep and beeves and gallons of coffee were consumed before the hungry, happy throng finished the repast. There were many hunger-creating athletic events to participate in. There were all the old ones, such as fat and bald-headed men's races and ladies' nail driving and clipper kicking contests; and a few new ones as well, such as the married couples' balloon race.

Events for Kids, Too.
There were events for the kiddies, too, and almost 100 prizes, totaling in value more than \$2,000, and donated by Omaha business concerns. After the fun and the food came more fun. A platform for dancing was erected, and although it wasn't exactly smooth, there was no difficulty driving to jazz music from Dan Deedman's orchestra.

Horton Is Chairman

G. M. Horton was the efficient general chairman of the barbecue; F. W. Lewis was chairman of the committee for serving tables; Bruce McLean was in charge of the athletic program; R. E. Langdon in charge of the prize committee; A. E. May in charge of the balloon wagon, and J. M. Gillan acted as a sort of field marshal.

Elaborate arrangements have been made for their entertainment. A luncheon will be served at Brown's park and later a business session will be held. Several officers of the state association will be in attendance.

Elgin Farmer Satisfied With Price Paid for Cattle

A load of whiteface steers were marketed by J. T. Lindberg of Elgin. In the shipment were 22 head that averaged 1,073 pounds and sold for \$9.90 a hundred. Mr. Lindberg said he had the cattle on feed about seven months and they made excellent gains and he was quite pleased with the price received.

Sues Over Movie House.

L. S. Outbott, a farmer near Logan, Ia., decided to become a motion picture man in Omaha. He bought the Comfort theater, 2319 Vinton street, through William C. Raaphs and Joseph A. Bradley. He alleges they misrepresented the proposition to him and he filed suit in district court Saturday to recover the price he paid, \$3,700.

The Truth About Eczema and Piles

Thousands and thousands of people, says Peterson of Buffalo, are learning every week that one 40-cent box of Peterson's Ointment will abolish eczema and hemorrhoids, and the grateful letters I receive every day are worth more to me than money.

"I had eczema for many years on my head and could not get anything to stop the agony. I saw your ad and got one box and I owe you many thanks for the good it has done me. There isn't a blotch on my head now and I couldn't help but thank Peterson, for the cure is great."

Miss Mary Hill, 429 Third Avenue, Pittsburgh.

"I have had itching piles for 15th years and Peterson's is the only ointment that relieves me, besides the piles seem to have gone." A. B. Buser, 1127 Washington Avenue, Racine, Wis.

Use Peterson's Ointment for old sores, salt rheum, chafing and all skin diseases. Druggists recommend it. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y. For sale by Sherman & McConnell Drug Co.

Battle Creek Feeder Ships Two Large Steers

Included in a shipment of cattle brought to the stockyards by John J. Hughes of Battle Creek were two steers averaging 1,985 pounds and sold for \$8.65 a hundred or a total of \$343.40 for the two steers alone. Mr. Hughes is a veteran feeder of Battle Creek, having located there in 1870, but during the war, when his sons went to the front, he was not very active in the cattle raising game. In the past two years however, he has made several shipments to the Omaha market.
