People taking these baths will find the best possible appointments. Throughout the building everything is clean and wholesome. Massage is given understandingly and trained attendants are to be found in every department. The mineral waters from the Artesian wells are particularly refreshing to those who are tired or overworked. For the cure of liver, kidney, stomach and nervous diseases and all chronic complaints, and especially for **Rheumatism** these waters have proven most efficacious.

The great plunge, 50x142, and 3 to 10 feet deep, filled with mineral water, is a splendid place to learn to swim. Lessons taught by men and women. This water, though constantly changing, is kept at an even temperature the year around.

In connection also is a fine barber shop and hair dressing department, both complete in every particular; scalp treatment and shampoos are given. The hair arranged for parties. Expert medical attendance. Send for further particulars.
