

Saved Our Boy

A Clergyman's Statement

Constitutional Scrofula Entirely Cured.

"C. I. Hood & Co., Lowell, Mass.:

"Gentlemen: Wishing to tell what Hood's Sarsaparilla has done for us, I will say that 2 years ago we had a beautiful boy born to us. When about six months old he took a sore mouth. Everything that was known as usual remedies in such cases was used. I had two doctors but all to no benefit. At the age of 11 months he breathed his last. Thus we laid

in the grave. On Aug. 4, 1891, another boy was born unto us. At the age of two months he became afflicted with the same disease. I believed the boy's trouble was constitutional, and not common sore mouth. I procured a bottle of Hood's Sarsaparilla and commenced to give it regularly to both mother and baby, and occasionally washed his mouth with a syrup of buck brush root. Improvement began at once. We have succeeded in eradicating the scrofulous blood from the system and to-day we are blessed with a nice, fat baby boy, eighteen months old. He is the very

a safe, sure remedy. Even my wife, after taking Hood's became healthy and fleshy and has the bloom of girlhood again. We have used only three bottles, but I keep it in the house."

Saved Her Life.

Mrs. C. J. WOOLDRIDGE, of Wortham, Texas, saved the life of her child by the use of Ayer's Cherry Pectoral.

"One of my children had Croup. The case was attended by our physician, and was supposed to be well under control. One night I was startled by the child's hard breathing, and on going to it found it struggling. It had nearly ceased to breathe. Realizing that the child's alarming condition had become possible in spite of the medicines given, I reasoned that such remedies would be of no avail. Having part of a bottle of Ayer's Cherry Pectoral in the house, I gave the child three doses, at short intervals, and anxiously waited results. From the moment the Pectoral was given, the child's breathing grew easier, and, in a short time, she was sleeping quietly and breathing naturally. The child is alive and well to-day, and I do not hesitate to say that Ayer's Cherry Pectoral saved her life."
