To California in a Tourist Sleeper.

The Burlington Route's personally conducted excursions to the Pacific Coast are just the thing for people of moderate means. Cheap, respectable, comfortable, expeditious.

From Omaha and Lincoln every Thursday. Through to Los Angeles and San Francisco without change. Experienced excursion managers and uniformed Pullman porters in charge. Second class tickets accepted. Cars are carpeted and upholstered and have spring seats and backs, mattresses, blankets, curtains, pillows, towels, etc. Only \$5 for a double berth, wide enough and big enough for two.

The route is over the "Scenic Line of the World," through Denver, Salt Lake City and Sacramento. All the wonderful canons and peaks of the Rocky Mountains are passed during the day.

If you are going west you should arrange to join one of these excursions. They are the best, the very best, across the continent. Information and advertising matter on application to the local agent or by addressing

 GENTLEMEN—I was pronounced by my home physician as having tuberculosis, and I went South without any apparent benefit. I was recommended to use **Shiloh's Consumption Cure**, and its results have been wonderful. I cheerfully recommend it to any suffering from lung trouble. JAMES W. GOSS.
