To California in a Tourist Sleeper.

The Burlington Route's personally conducted excursions to the Pacific Coast are just the thing for people of moderate means. Cheap, respectable, comfortable, expeditious.

From Omaha and Lincoln every Thursday. Through to Los Angeles and San Francisco without change. Experienced excursion managers and uniformed Pullman porters in charge. Second class tickets accepted. Cars are carpeted and upholstered and have spring seats and backs, mattresses, blankets, curtains, pillows, towels, etc. Only \$5 for a double berth, wide enough and big enough for two.

The route is over the "Scenic Line of the World," through Denver, Salt Lake City and Sacramento. All the wonderful canons and peaks of the Rocky Mountains are passed during the day.

If you are going west you should arrange to join one of these excursions. They are the best, the very best, across the continent. Information and advertising matter on application to the local agent or by addressing

Messrs. S. C. WELLS & Co., Le Roy, N. Y.: OTIS, MASS., January 1st, 1894.

Gentlemen—I have tried many different kinds of medicine without receiving any benefit, and had given up all hopes of any cure or even relief. I was troubled with constipation for years until I was a total wreck. Finally it ran into rheumatism and other trouble, and have been confined to the house, (was in bed for eight months) for two years. I have been using your **Karl's Clover Root Tea**, and find that it has done me more good than anything I have ever tried. You are perfectly at liberty to use my name as a testimonial, as I am glad to know that I have been the means of relieving others.

Very respectfully,
Mrs. W. P. WORDEN.
