

the club on the suggested evening runs. I hope the club or the touring board or some one else in authority will take this matter up. Mrs. Cyclist will not ride on Sunday runs and there are many ladies who agree with her. Pleasant evening runs, starting at 7:30 could be made from week to week to Burlington Beach, Lincoln Park, Waverly, Emerald and other points, and would prove beneficial to the members both physically and socially.

One of the most enjoyable experiences that has fallen to the lot of the Wanderers was the far-well party given to the members of the club by Misses May Gibson, Bertha Bottum and Ida Robbins on last Tuesday night. The gathering was held at the home of Miss Gibson at 1441 G street and took the place of the conventional run of the club and was given by the young ladies mentioned as a "good by" to their more intimate comrades in wheeling, preparatory to their departure for the east, where they will spend the summer. A thoroughly enjoyable time was had by those present and the greatest of all cyclists, Time, had pedaled over the hill of midnight before the final guest departed. The evening was spent in various other amusements and the guests regaled with toothsome light refreshments. Those present were Misses Emma Bing, Florence Hall, Edith Fisk, Maude Gwine, Emma North, Maude McCain, Ida Robbins, Bertha Bottum and May Gibson, Messrs. Horry Dobson, E. B. Ransom, G. W. Woodberry, J. S. Hyatt, B. Teele, and Mr. Robbins. The regular run of the club this week will be made on Wednesday night and will probably cover Lincoln Park and the ayllum.

While coming out of Eddie Riggs' drug store yesterday evening I met Ed. Millmine. He rushed up to me in a fever of excitement and exclaimed: "I've found out the reason why the ladies who object to wearing bloomers, do so." "Why?" I asked. Whereupon he rattled off the following:

"Many have a little calf
And that, so goes the rumor.
Explains why they would never wear
The Knickerbocker bloomer."

I have been wondering ever since whether he knew what he was talking about.

I am perfecting plans very rapidly for the contest hinted at last week, but will not announce details before they are entirely completed. Probably next week I will give the snap away.

I had hoped to give you this week the photos of two of the lady riders of the city, but unforeseen delays prevented the appearance of the cut until another week. Instead you have the great Rambler Quad team for which I am again indebted to Mr. R. E. Guthrie. Many have heard of a "bicycle built for two" but this is perhaps the first time many of the readers of THE COURIER have seen even a photograph of one for four riders. This is the team that paced Wilbur Edwards in California in his great mile in 1.34 1-5.
