**SAMUELS BROS.**

Entire front, corner Tenth and P Sts., Smashed to Pieces.

**WATER**

The big show windows facing Tenth street smashed to thousands of pieces. All the Dress Goods that were in the show windows will be sold at your own price. The Dress Goods Department, which is on the east side of the store, next to the big show windows, was mostly damaged, and these goods we must sell at once. This is a chance of a lifetime. Goods that are only slightly damaged by water will be sold at about 10 cents on the dollar.
