THESE ARE WHEELS

in which the bicycle art reaches each year its highest expression. The builders cannot make them better. Every attribute upon which Fame has been based is there, together with the fruit of years' of study and progress.

We repair wheels and enamel them in any color, striping, names, monograms. We have the vulcanizer which makes your old tires good as new. Call around at the Salisbury block and help yourself to free air for your wheel. While waiting for your tires to be filled step inside where Emil will be pleased to meet you.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.
